

## Sonota

It is unimaginable to think how low satan fell when he succumbed to pride, rebelled against God and was cast out of heaven.

He went from being an anointed cherub to the dragon, that serpent of old who will be cast into the lake of fire and brimstone.

The Lord created the orders of the incorporeal troops of angels, their weapons are fiery and their raiment a burning flame.

He commanded that each one should stand in his order, one from the order of angels having turned away with the order that was under him; conceived an impossible thought-

To place his throne higher than the clouds above the earth that he might become equal in rank to My power. I threw him from the heights with his angels and he was flying in the air continually above the bottomless.

By far, the spirits of addiction are the most numerous of all demons. The atmosphere of addiction covers the whole planet; people are addicted to all manners of things that cause pain and suffering beyond measure.

## A Cloud of Addiction

A marijuana demon slipped a smooth rope around a beautiful young woman. At first the rope felt good to her. The demon tightened the rope just a little bit. When she took another hit, he tightened the rope a little more. After a while the rope turned into a chain.

Still, she could easily slip the chain on or off at this point. But as time passed the chain got tighter and tighter. Finally she could no longer take it off and she was bound.

The demon wooed her and cajoled her while all the time he was binding and chaining her. The demon began tormenting her mercilessly.

## Testimonies from Former addicts

For twenty years I was addicted to sex, I would do anything to support my habit. From watching porn, masturbation to looking for girls to hook up with. They were just things I started doing to try to fill the hurt places inside.

## Searching for Love in the Wrong Places

I was searching for love and acceptance from friends and loved ones. I wanted acceptance from society but found none. I thought that I had to have sex to receive it, no amount of prayer was enough to stop my addiction; I would just have a relapse and get back to my vomit.

But prayer and fasting together was the right key to close the dreadful door. On the thirtieth day of my forty-day I saw the dog-like demon leave my body. It was naked and despicable. This was the required bombshell to untangle my chains. I thank God for such a powerful deliverance.

## The Adult Thing to do

When I was young my unwed mother was never home and I was left in the care of all kinds of people. I was easy prey for sexual abuse.

At thirteen I was married and my husband began physically abusing me almost immediately and at fourteen I became a mother. I started smoking and drinking. Since I have a baby I must behave as an adult; I thought that this was the adult thing to do.

I slipped into hard drugs; cocaine, angel dust. Eight years ago God led me to a small church where He delivered me. He used some caring people to love me. Praise the Lord. God makes me 'high' than any drug I ever used.

## On a Treadmill to Hell

I began using drugs at the age of sixteen; by twenty I snort cocaine. at twenty three my world began to fall apart. But the day I was introduced to crack cocaine began ten long years of a hard and miserable life.

During my fight with the addiction monster, I was gang raped and shot at. I was so wrapped up that I never wanted anybody to stop me. Jesus arrested me like Paul on his way to Damascus. He took that desire away and delivered me from that dark life of despair and pain.

## Changed Only by God

I was raped by two men at the age of four. I began to go from lover to lover, I thought they loved me but soon I was selling my body to older and younger men.

I hated the world and what it was doing to me; I got into drugs. Finally I was raped, stabbed and left for dead in the streets. In the hospital a Christian nurse showed me who Christ is. She showed me what the love of Christ is.

The Lord set me free from the perversion and replaced it with His love. I am now married and God gave us two wonderful children.

## Power to break an addiction

I was a normal weed- smoking punk gangster and alcoholic. I was depressed about all the bad things I was doing. Then God hit me full force with the power of the Holy Spirit. The feeling was so amazing and powerful that I cried. I quit the addictions; I love the Lord because He has heard my voice (Psalms 116:1)

One time, during a service when many people were coming up for prayer, I began to see, in the Spirit, a white light mixed with black in a circle around the seekers' necks. I knew that this circle represented bondage. The Lord spoke to me and said, "I'm going to break the yoke; the anointing shall destroy the yoke." Then I remembered that the Bible says, *"It shall come to pass in that day that...the yoke shall be destroyed because of the anointing"* (Isaiah 10:27 KJV).

As the people repented of their sins and asked God to forgive and help them, I could see the angels go to work. With their hands, they broke the yokes of bondage right off the people's necks. Serving Satan causes spiritual bondage as well as natural bondage. The people had been under spiritual bondage because they had been serving sin and the devil.

The angels of God do His will and break these yokes through the Word of God and in the power of the Spirit of God. The reason people say, "I feel lighter; I feel better," after they are

prayed for is that their bondage has been broken in the spiritual realm. When you get serious with God, when you are real and open before Him, He delivers you. He sets you free!

While fallen angels are working as hard as they can to do evil under the direction of the devil, righteous angels are diligently serving God and doing good under His direction. God's holy angels continually glorify Him. They acknowledge Jesus Christ and His coming into the world to redeem us from the enemy's bondage. They focus on Jesus and His deliverance. By their activities and actions, they continually emphasize God's work and will.

I also saw people delivered who were in super- natural bondage. It was as though ropes and vines had grown around them, but when the fire hit them, the shackles would explode. I knew that God was showing me these mighty revelations through the power of His Holy Spirit. I thought, *God, You are such a wonderful God.*

Then I saw the dove of the Holy Spirit soaring through the heavens. God began to draw people by His Spirit. People started coming to the Lord, and I was so happy and excited to see the blessings and joy of the Lord. I truly began to understand that we are in a spiritual war where good is fighting against evil.

## HOW GLOBAL INTERNET FORTUNES STEALS FROM KENYANS

### DEDICATION

This is a special dedication to all those who have lost their money to this pyramid scheme for the past ten years and those who are still trapped in their deception. I also dedicate this book to my parents for always believing in me. You cannot resist what you cannot detect. That is the main **principle** of Satan. Every sin is prison and your soul tries to break out but your body enjoys it.

### INTRODUCTION

Everyone gets these messages but for those who take the bait their ordeal begins.

Two hour orientation session for newcomers, when you enter there; the first thing you are shown is eagle team video. That is when the trance begins. Network marketing is a good concept but people use it for evil. Guns don't kill people. People kill people.

#### Why what they are doing is evil

It is disguised in such a way that you will think that you are helping people. Every member that joins is told to **recruit** four people to recover their investment. Anything that tells you to bring someone else to the job is total bullshit. Find new tricks, you **scammers**.

This is telling people to wear suits and run around in social media platforms looking for people to steal from. You call that **branding**.

It is the worst kind of theft because you are doing it in broad daylight. Now because nobody wants to be stolen from, people run away from it.

You will get those who have never heard of that company or anybody who wants to try it. If you have many recruits in your down line, you get that ten thousand a week they promise because you are walking on the **recruits**. If your recruits don't get anyone in their down line, they fall flat on their faces and nobody wonders where they went. Come on, Kenyans weren't born to do that kind of job.

Those who have many recruits are given promotion and called champion. Congratulation sir, umekuwa expert thief. What a joke. You work hard to find people to steal from. If you steal from many Kenyans; you get out of poverty. That is too selfish and cruel: You stop believing it is a scam, you start saying that it is working. I really hate those testimonies because nobody really cares about others.

- What kind of job comes looking for people in our houses?
- What kind of job do you pay to join?
- What kind of job are you told to convince others to join?

If people need a job, they know where to find it. This is a cult that converts people to be con artists. The day that you can't get anybody to fool is when you will cease to exist. Not everyone is smart and you exploit that **weakness** to your advantage. You can't force people to join, you can only trick them. Manipulating the **vulnerable** to be your **slaves**. You gotta be kidding me? They make people fall in and out of **trance**. When you go to training, you fall into trance. When you go home, you fall out of trance. You go there next week another trance, you go home you fall out of trance. Once you are in you fall deeper and deeper into trance. If someone does this to you for a long period of time, you get **programmed** to be a perfect slave.

You are being presented with an opportunity to become a thief and some people **gladly** take it, it is your choice if you want to earn a living as a professional thief or not?

Satan has many psychological weapons to lead people into hell. God created marriage but Satan added courtships, relationships and hook-ups. People choose what they want; consequences are theirs. People are living double lives and we will see surprises on judgment day.

Narrow is the path that leads to eternal life and wide is the road that leads to eternal condemnation.

#### WHY KENYANS GET TRAPPED BY THAT COMPANY

People are made to believe that they should benefit from recommending someone to a good hairdresser, nice shoe or clothe they bought somewhere.

You see much money; power five, but no one asks themselves: where is this much money coming from?

Referral bonuses and all that presentation is **perversion**. You have some **darkest** company secrets that you want nobody to ever find out, let us leave them under the carpet. Walk your way, I walk mine.

Mkinichokoza tena, I will show you how **POWERFUL** and **GREAT** my **GOD** is.

GIF have offices in Kenya's big cities and people flock there to be trained on theft. They don't have online training because their manipulation would be not **effective**. You cannot create a perfect slave unless they get **hypnotized**. Go to those **damned** offices at your own risk.

I will quote one of them, "I was a teacher teaching students how to pass exams but now I teach people how to make money". Kweli tulianza na roho tukamaliza na mwili. My good friend tells me that people think that it's investing but it's not.

People get recruited into cults all the time and they won't get out no matter what you try. Those who want to get out can when they see the dark side of things. Everything has been orchestrated and smartly planned out.

They know that when you go looking for people in social media, you will get rejection because almost everyone knows what that is. That's why you are taught how to handle objection. Those who accept your **invitation** have never heard of the company before and you are sending them to the offices to be tricked like you were (same stories, same testimonies).

They take your phone, put in Microsoft Swift keyboard and their foolish messages. You go around in "branding" telling people to join the cult. I feel for those who have no idea what they are getting involved with. That is **dirty** money and its illegal business. You are transforming lives of few individuals but destroying lives of many people and you don't care.

Some people are curious how people get conned, others wonder why people are stuck in such a trap and pray that God does a miracle. Wake up people, it is dead end. People tell you that it is scam but you won't listen. If people stop joining, we will see what's inside their bag of tricks.

These con artists have tricked Kenyans for nine years. Their main target are the form fours because some have no idea what that is (they think it's a job). You can't tell me to wear a suit and become a gangster. I cringe every time I write this.

Ever wondered why people fall in love with jerks? You won't stop that wedding come rain, come sunshine. They get trapped inside an abusive marriage. GIF makes you fall in love with their **compensation plan**. People fall out of love too (depends on when the skeletons in the closet get revealed). When you land in my inbox, don't you dare think for one second that I am defenseless. Wrong move. **Checkmate**.

If we don't tell them, some people will wake up on judgment day and it will be too late. Pastors tell you to repent, harken to their voices. One day, nobody will **fall in love** with you.

This company reminds me how the Israelites were tricked into slavery in Egypt. I can't watch as the same thing repeats here; not when my God has given me life. Mimi nikujengee pyramid. Shame on you.

Give me your money and the only way you are getting it back is if you can get others to put their money in the system. Withdrawing the poor's money every week. Who does that? Only people having **psychotic tendencies**. You cannot make it, you can only fake it.

The **masterminds** of this **crap** use **victims** as **SHIELD**. Their manipulation **techniques** run at fullest **potential**. You call that **training**. Now because you have no **mercy** no **mercy** shall be shown unto you. Know the **truth** and it shall set you **free**. When you lead people into hell a **hot** spot is prepared for them but a hotter **spot** is **reserved** for you. We are **THE CHAMPIONS**, my foot. Mathew 18:6-7

Truly, women never care about money- only what money can do. The women who fall for this pyramid have deep **emotional** and **spiritual** needs which are unfulfilled elsewhere that's why she sticks to it

because the cult takes care of her other needs. The men get out as soon as they realize it's a trap. Nobody can make you a millionaire that fast. It doesn't work that way.

When you fall in love with someone, you can do anything for them; you can even kill. No matter how cruel a person is, they can still make you fall for them. You don't stand a chance against **love**. GIF are really good at making you fall in love with them and if you continue walking on that path utaumiza watu wengi and their suffering is on your **conscience**. Unafanya upuuzi and you won't stop hata tufanye nini, that is how strong love is. You fall for a psychopath; you become a psychopath when you get initiated to their inner circle. This is like watching the movie "**NAIROBI HALF LIFE**" in reality.

You get a thousand shillings for each slave you can bring in and when they can't get other slaves, you toss them away. Every person who falls for it does not have a strong **will**. They pry on that weakness. There is the part where you blame yourself for falling for it, nobody talks about it. You feel ashamed for falling for it. Those **cons** are the ones who should be ashamed, not the **victims**.

You are still a slave no matter what your level is. Of course, they do not tell you that you are bringing in slaves. Those study sessions **brainwash** you into believing that you are helping people. We don't need help. You can keep it. All these victims, hata kama ni kuiba mmezidi. The right way is getting people out, not in. **DEUTERONOMY 30:19**

Mind your own business. With **GOD** nothing is impossible. I am not looking for a job. You are making your own bed and you will be the one to sleep on it. You live by the sword and you will die by the sword.

Nobody can guarantee you success; anybody who does that is trying to scam you. They claim to be the best domain provider yet the blogging services are to maintain the enslavement. The **emotional** slaves sweat it out year in year out all for what? Nothing.

God helps those who help themselves. Your subconscious mind is so disgusted by your crooked ways that it shuts down. Life is bleak, ugly and gloomy. People live in fear of the looming inevitability of doom. The scent of death and decay is in the air. Kutarget watu muache. Actually they won't stop until that scheme collapses. Thus did they all the days.

## CONCLUSION

It is a lie, that's not a job. The smart ones know it. If someone gets tricked to go to Saudi Arabia for a job; that's their fault. They either return in a coffin or with traumatic experience. This is enslavement in our own country. Johann Von Goethe said that none are more hopelessly enslaved than those who falsely believe they are free.

Don't repay evil with evil. They use network marketing to con people. Wakishika your mind, you are gone; until the **enchantment** wears out or you give up or you reach the top because everyone that joins is equal. It depends on how many **slaves** you recruit.

Hell was created for devils but when mankind starts thinking and operating like devils; that's where they will end up. This is total greediness. The love of money is the root of all evil.

People get victimized giving them false hopes. Their language is very bad. They sweet talk you "People say it is scam but you know what you are doing, right? Work hard, copy and paste". You cannot fall for that

but someone does. The cons have their room and the victims are put in another room. Building a pyramid like the ones in Egypt but the worst part is that the slaves pay their oppressors. Would you rather be a slave or free?

The cons know how to spot easy targets but the victims do it randomly. You cannot see them when they are experts at blocking your logic. They can make you do whatever they want and you will follow them to the end of the earth. If they get your weakness, you won't know how your money is gone. The slaves carry the whole pyramid on their **shoulders**. The tactics are powerful but they don't work on everyone. Yeah, that is how cruel people are.

Look at their body language, their eye movements, posture and walking strides, the passion in his voice. That is how you will differentiate between the con and the victim. It is on a **subconscious** level.

## WHY AFRICANS ARE POOR

History was my favorite subject in high school.

They lie to us about everything. In 1954, the US Congress Reece Committee accused the banker-funded foundations of "social engineering" the American people. For example, history is really the story of the Illuminati conspiracy but our historians are well paid to hide this fact.

The goal of the world wars was to kill the new generation of white Christian males on both sides. They succeeded

"So they concocted a world war which was also highly profitable. They owned the companies that made the machine guns and bullets."

When people die, there are those who benefit. The world is full of chaos and there are questions around those wars.

Let's start with world wars. Hitler was tricked into leading German soldiers into war. Fighting on double fronts, fighting a losing war. Every nation that was pulled in those wars didn't have a choice. You either kill or get killed.

Jewish bankers and merchants always had a dominant role in world trade and commerce. They would build their country of residence into an instrument of their world domination. They would play off competing powers in self-destructive wars. Then, when it was convenient or necessary, they would abandon their country for a more effective vehicle.

Since the Seventeenth Century, British Imperialism has been the mainstay of Illuminati Jewish world domination. They built up Germany in the Nineteenth Century and then used it to stage two world wars. At the same time, they shifted their base to the USSR and the US and had a very profitable Cold War. Now they are using Israeli imperialism to foment a world war with Iran and her backers

China and Russia. They seem gradually to be undermining America with the goal of shifting power to world government institutions under their control.

Thus, by double crossing the Poles, the British-based Illuminati succeeded in giving the Nazis a common border with Stalin. It was only a matter of time before war would break out between them.

The task now was to entrap Hitler in a two-front war by provoking an attack on the West. After the Illuminati put Hitler in power, they kept him there by sabotaging German opposition.

All wars are charades. This is true of the world wars, the Cold War, Korea, Vietnam, 9-11 and the current war on terror. The human race is caught in a hologram controlled by the Illuminati Rothschild central bankers.

We hear a lot about holocaust denial, but the gratuitous bombing of civilians in Japan and Germany reached holocaust scale both in brutality and malice. The Japanese were forbidden from commemorating the atomic bombings. Compared to Auschwitz, we hear very little of Hamburg, Dresden, Hiroshima and Nagasaki.

Mullins quotes a Japanese doctor: "My eyes were ready to overflow with tears. I spoke to myself and bit my lip so that I would not cry. If I had cried, I would have lost my courage to keep standing and working, treating dying victims of Hiroshima."

In 1945, a half million Japanese civilians were slaughtered or maimed when the US dropped two atomic bombs on Japan. These war crimes were committed to threaten the West with annihilation and thereby justify the needless expenditure of trillions of dollars in the Cold War.

There must always be an external enemy so people don't realize they are being fleeced by the bankers who appoint the leaders, control the media and create the money.

"We have already lost Germany," Stettinius, a Yale *Skull and Bones* alumnus said. "If Japan bows out, we will not have a live population on which to test the bomb. Our entire postwar program depends on terrifying the world with the atomic bomb."

"To accomplish that goal," said John Foster Dulles, "you will need a very good tally. I should say a million." "Yes," replied Stettinius, "we are hoping for a million tally in Japan. But if they surrender, we won't have anything."

"Then you have to keep them in the war until the bomb is ready," said John Foster Dulles. "That is no problem. Unconditional surrender."

"They won't agree to that," said Stettinius. "They are sworn to protect the Emperor." "Exactly," said John Foster Dulles. "Keep Japan in the war another three months, and we can use the bomb on

their cities; we will end this war with the naked fear of all the peoples of the world, who will then bow to our will."

Goring remarked to Italian Foreign Minister Ciano in Dec. 1941: "This year between 20 and 30 million persons will die in Russia of hunger. Perhaps it is well that it should be so, for certain nations must be decimated." (190)

At the same time, the Allies subjected the German civilian population to a murderous bombing campaign. In July 1943, 50,000 people died in a Hamburg fire storm called "Operation Gomorra." 800,000 fled the city in the aftermath.

World War Two was a time of unparalleled savagery and ethnic cleansing. I will not attempt a complete inventory here. It's simply implausible that the Jews, who were vilified as official Nazi policy, would evade the pattern of genocide.

In addition to the holodomor (1932-32) which killed 15 million Ukrainians, there was another (lesser known) organized famine in the Ukraine in 1946-1947 to put down political resistance. This killed two million. Another million Russians were killed or irradiated in 1954 when the Communists tested an atomic weapon on Russians.

The USSR lost an additional 35-45 million people during the Second World War. The historian Nikolai Tolstoi claims that half of these were actually killed by the Bolsheviks and blamed on the Nazis. During campaigns against counter revolutionaries in 1949-1952, another five million people were murdered.

*Literaturnaya Rossiya* estimated total deaths due to murder, induced starvation and maltreatment at 147 million, five million a year for the period 1918-1938. Lina points out that many killed were women and children who were classed as "enemies of the people." After all "they cost money" i.e. were "useless eaters" in Communist eyes.

Do you think over 180 million people could be massacred in the 20th century merely by accident? That Hiroshima, the holodomor, the holocaust and 9-11 were accidents? That the steady decline of popular culture into degeneracy and obscenity is a coincidence? Do you think the gradual mainstreaming of incest, homosexuality, pederasty and the occult is random? That the destruction of higher education (in the humanities) and the family is also a coincidence? Mankind is in the thrall of a powerful satanic cult.

The Nazis calculated that "tens of millions of Russians would have to die in order to safeguard German meat rations. German food would not go east to the invading army; rather [2.5 million] German soldiers would be fed at the expense of the local population."

Nazi persecution was held in check as long as Hitler desired peace with England, or good relations with Russia. However the invasion of Russia June 22, 1941 signaled the beginning of a genocidal death-struggle. In this war zone, Slavs and Jews who were unfit for slave labor, (i.e. roughly 80% of the total) were marked for extermination.

The Nazis managed to kill 20 million Russians including 7 million civilians by a variety of means. Three million Russian POWs died from bullets, deliberate typhus infection and starvation.

I deplore the persecution of those who question the details of the Jewish holocaust. Nothing casts more doubt on the holocaust than these attempts to control thought and speech.

Communism and Fascism were evil twins, conceived in the same Illuminati womb, made from interchangeable parts, practically mirror images. Both were fronts for monopoly capital, the same monopoly capital.

Judging from their actions, both Hitler and Stalin were determined to extend the war and make it as costly as possible.

No, the real war was between the Illuminati and the human race. The Illuminati bankers are a relatively small group. They divide and conquer, so humanity will degrade and destroy itself. They do this by putting their pawns in power and using the mass media to conjure the illusion of a genuine conflict.

The Illuminati created both Communism and Nazism in order to destroy Russia and Germany. One purported to be about class war; the other about race war but both had war in common. Hitler cared nothing about racial purity. His own grandfather was Jewish.

The Illuminati bankers use war to advance a satanic world government agenda. The wartime leaders belonged to the Illuminati Order and were chosen to impose another calamity upon the human race. Their puzzling behavior can be explained by a desire to prolong the war.

The object was to destroy Western civilization by eradicating natural leadership, and degrading and demoralizing the population. The goal is world government secretly directed by this satanic cult. In other words, FDR, Churchill, Hitler and Stalin may have been in cahoots. Heydrich may have been assassinated in 1942 because he knew too much and posed a threat.

Whatever we think of European Jewry, like Germans, Poles and Russians, they had a highly developed civilization. The goal of both revolution and war is to destroy Western civilization. Thus the Frankists (Illuminati) took charge of both sides and incited war for its own sake. In the process, they exterminated civilized Jews who had traditionally opposed them.

Frankists achieved power by pretending to subscribe to every religion and ideology and by intermarriage with generational Satanists. Behind the scenes, they advanced their kinsmen and manipulated events. Thus, they gained covert control of government and the economy.

Yes, the Jews. Someone will come and discover that he can't upset the old values without destroying the people who really believe in them and, what's worse, practice them. And when

he's convinced that the Jews stand in his way he'll find ways to kill them all. Destroy them, exterminate them like vermin."

Great nations, England, the United States, Germany, and France are all Illuminati pawns. What good is democracy when the Illuminati Order owns the politicians and controls information?

Think of the millions who died in World War Two, all to destroy and degrade mankind so the Illuminati inbreeds can own and control everything. They are still dividing us, so we will never unite against them. Agents who stumbled on the "true secrets of World War two" (i.e. the fact that the Nazis were infiltrated and run by the "English") were often betrayed and met death in action.

The real James Bond helped kill thousands of people, mostly British allies. He was haunted by the ghosts of "perfectly loyal and innocent people who had been caught up in our operations. He was just "following orders" which made no sense from a patriotic p.o.v. "We were not acting from patriotism or high moral principles. We were not doing this for England or Uncle Sam. As usual, we were doing what we had been told to do: we were carrying out our orders."

The Illuminati back both sides in every war, and can easily control the outcome by withdrawing support from one side at a key juncture. They deceived Hitler (and Germans in general) into believing they had the support of the British American establishment (i.e. Illuminati) in their confrontation with Russia.

Weapons of mass destruction killed millions of people. Of course, Africans fought in those wars. On the other side of the same coin, there was colonization of Africa around the same period. They were only interested in our resources and how we could be of value to them. Our people were sold into slavery.

What happened next is racism. They created it and made the white folks to hate our people. Their plan worked out. A mother who has been discriminated against raises her girls to be emotionally strong and her boys to be emotionally weak. Those children grow up psychologically messed up.

Women behave like men and men behave like women. When these people interbreed with whites, that psychology is passed onto their offspring. We fight off racism but we are left with something worse. Homosexuals (Gays and Lesbians). They pass it onto their generation.

When Whites are a minority, no one will champion their rights. There are two million more females than males at US universities. Have you heard of any affirmative action programs for males?

"Diversity" is practically unheard of in China, Japan, Israel, India and Latin America. These countries are allowed to keep their racial character. But because people of European origin have a sense of material, spiritual and political entitlement, they are the hardest to absorb in the New World Order. They are the targets of the "Diversity" program.

The central bankers use the tactic of "divide and conquer" to undermine the four pillars of our identity: race, religion, nation and family.

First, they pretended to champion the workers to get rid of the Tsarist regime in Russia. Then they pretended to champion women and homosexuals to undermine heterosexual values and the family. Finally they are duping Whites to passively accept discrimination and diminished status.

The USA population is more whites and Christians; the plan is to make them minority. Whites are expected to stand by and become guests in their own house. "Diversity" is not about fairness or enriching society. It promotes minorities not for their merits, but as a way to undermine and control the majority.

"Diversity" is a massive long-term behavior modification program that uses minorities to disinherit the majority. It's time we started taking this Luciferian hatred against God and His natural and spiritual (moral) order to "Human Rights" Commissions. Let's expose them for what they really are: instruments of globalist social engineering and discrimination.

Then they fight for Gay's rights. These guys practice **promiscuity**. They have multiple partners. Heterosexuals fall into this trance called promiscuity and these days we have very fewer virgins. People can't wait to get married. Back in days when it was a woman pride having virginity, shetani amewadanganya mkafungua gate zote. You should belong to one man not the whole community. You deserve what's coming. This time it won't be Noah's floods; it is something worse. Human rights are just cover to protect these disgusting behaviors.

Instead of thinking of homosexuality as same-sex attraction, think of it as gender role confusion resulting in "failure to permanently bond with (i.e. marry) a member of the opposite sex." This failure results in arrested development. Homosexuals generally compensate by having promiscuous sex.

They want to subvert society by pushing homosexual dysfunction on heterosexuals. (They are mainstreaming homosexuality while making heterosexuality seems like a pathology i.e. domestic abuse etc.) Human Rights Commissions are staffed by feminists indoctrinated to uphold homosexual rights over religious rights.

"Human rights" laws are Orwellian doublespeak for giving "rights" to some people and taking them away from others.

The *Protocols of Zion* make it clear that the Illuminati bankers promoted liberalism and equality only to overthrow the Gentile aristocracy and church. "While preaching liberalism to the gay, we at the same time keep our own people and our agents in a state of unquestioning submission."

Essentially, homosexuals, atheists and Jews have "human rights" while Christians, Muslims and heterosexuals don't. The laws empower minorities in order to disarm and disinherit the majority. They have nothing to do with justice; they are a tool of state coercion.

Willie Lynch, a British West Indies slave owner, was invited to the Virginia colony in 1712 to teach his methods to slave owners there.

He advised slave owners to foster division, "fear, envy and distrust for control." Put young versus old, light skinned versus dark skinned and most importantly, male versus female.

In a section called "The Breaking Process of the African Woman," he advocated shifting her dependency from the African male to the slave owner. This is achieved by beating and humiliating the male in front of the female. Then, beating the female if she doesn't get the message. This instills a kind of frigidity.

"We reversed nature by burning and pulling a civilized nigger apart, and bull whipping another to the point of death, all in her presence. By her being left alone, unprotected, with the male image destroyed, the ordeal caused her to move from her psychological dependent state to a frozen independent state. In this frozen psychological state of independence, she will raise her male and female offspring in reverse roles."

"For fear of the-young male's life, she will psychologically train him to be mentally weak and dependent, but physically strong. Because she has become psychologically independent, she will train her female offspring to be psychologically independent. What have you got? You've got the nigger woman out front and the nigger man behind and scared. This is a perfect situation of sound sleep and economic."

She will teach her female offspring "to be like herself, independent and negotiable (...we negotiate her at will.)" She will raise her "nigger male offspring to be mentally dependent and weak, but physically strong, in other words body over mind."

"We will mate and breed them and continue the cycle. This is good and sound and long range comprehensive planning."

Sound familiar? We recognize these patterns in the US Black community, and, thanks to the hidden agenda of feminism, increasingly in the White. The male is humiliated and emasculated, and the female becomes dependent on the slave owner, i.e. banker dominated government and business.

"By reversing the positions of the male and female savages, we created an orbited cycle that turns on its own axis forever..." But "our experts" warned us of the danger that the mind might correct itself "if it can touch some substantial historical base."

They advised us to "shave off the brute's mental history and create a multiplicity of phenomena of illusions, so that each illusion will twirl in its own orbit, sometimes similar to floating balls in a vacuum."

I haven't heard our society described better. Our collective identity (race, religion, nation and family) is being systematically erased and replaced by Hollywood fantasies.

"To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family traditions, national patriotism and religious dogmas..."

Lynch goes on to promote interracial breeding so the slaves are different shades of color befitting different levels of labor "and different values of illusion at each connecting level of labor."

"Cross breeding niggers means taking so many drops of good white blood and putting them into as many nigger women as possible, varying the drops by the various tones that you want, and then letting them breed with each other until another cycle of color as you desire" (Divide and Conquer)

Lynch concludes by stressing the importance of creating a new language befitting slavery. "We must completely annihilate the mother tongue of the new nigger..."

"Language is a peculiar institution. It leads to the heart of a people. The more a foreigner knows about the language of a country the more he is able to move through all levels of that society. Therefore if the foreigner is an enemy, the country is vulnerable to attack or invasion of a foreign culture."

The point is that we are being socially engineered to be slaves in much the same way as blacks, and probably by the same people. If thoughts can corrupt language, language can also corrupt thoughts.

The modern female has been "frozen psychologically" and now depends on the slave owner (government, corporation) for her security. The modern male is emasculated, strong in body but not in mind, grateful to be allowed to serve a master, whose agent often is a woman.

'They' are basically trying to achieve with white people what was done to us through slavery. I see many white men maybe disillusioned with white women because of the effects of feminism opt to go for coloured women. Maybe cause they feel they getting an old-fashion traditional wife. What they don't know is that they're getting the same "psychologically frozen" and "independent and negotiable" woman. The coloured woman opts for white males because her psychological dependency on "the slave owner" and ineffectiveness of coloured men.

The same is happening in America with African American females and white men. I believe the objective in creating this interracial union is to destroy language and culture because the woman of color and their off-spring will adopt the white male's culture/customs and forget her own. This is how many indigenous cultures (including my own) were diluted around the world; by colonial men raping/marrying indigenous women after their own indigenous men has been rendered ineffectual.

Those 'Lynch methods' were very much employed amongst us. The result of it all is that we are a "nation" with no cultural identity (because of our extensive mixture), no socio-economic or political foothold. We are like a political whore being passed around, putting our trust in everyone and anyone except ourselves.

Strides are being made forward though and we are positive about our future. Many are rediscovering their previous cultural identities.

"Women's Day" pretends to celebrate women but International Women's Day (Tuesday, March 9) is a long time Communist propaganda gimmick. Women participating in the march are asked to bring "your hardhats, tool belts, safety vests and ideas for change." Typically Communists celebrate women by redefining them out of existence, as a male i.e. carpenters.

Through its feminist surrogate, Communists have stripped women of a secure and honored social identity as wives and mothers, and made them workers and sexual commodities, hostages to the economy and the ravages of age.

Obviously this event is not about recognizing women for their grace, beauty, charm and intelligence. It is about cultivating a false sense of grievance and entitlement in order to manipulate them.

They used the same tactic with Jews, Blacks and Workers and harnessed these groups to their agenda. The ultimate goal is to concentrate all wealth and power in the Illuminati (Masonic) central banking cartel which is colonizing the whole world. The real meaning of "change the world" is the establishment of a totalitarian New World Order.

"To all working women! You who make demands and struggle count in the millions.... In all countries where the disinherited surge forward under the sign of Communism against the exploiting and subjugating power of capitalism. On International Women's Day, mothers filled with pain, housewives bent with worry, exhausted working women, clerical workers, teachers and small property holders flow together."

Women's Day is designed to make women feel oppressed. Women are brainwashed to think their interests are separate from their own fathers, husbands, brothers and sons.

Just as the bankers propagandized workers, Blacks and Jews to do their bidding, they used feminism to harness the political power of women who couldn't get a date on Saturday night.

The bankers gave them positions of power in government and media. So periodically we get a dose of propaganda about how domestic violence stalks married women.

This stealth war on heterosexuals (disguised as woman's and gay rights) is designed to destabilize society in advance of the New World Order. The destruction of the nuclear family has long been the Illuminati Communist goal. They wish to make developmental disorder (homosexuality) the new norm.

Homosexuality, bestiality, incest etc. are being normalized. What is healthy (i.e. marriage, family) is deemed sick; what is false (i.e. climate change) is deemed true; what is obscene and ugly (modern art, entertainment) is deemed beautiful. This is the New World Order.

Lesbianism is the hidden agenda of feminism. Marriage and family are essential to our natural development. But, despite the deceitful propaganda, most male homosexuals don't want marriage or children. They want sex.

The hidden agenda of Judaism and Freemasonry is to supplant the natural and spiritual laws of the universe (God) with the tyranny of the Illuminati bankers. They will define reality.

Colonizers took our land and forced our people to work for them. Every produce was taken back to their countries and this is what they do all over the world (gathering wealth). Freedom fighters died for our independence but people snatched power and took possessions. What was left, their fellow countrymen distributed amongst themselves. That is when the drift came in. A wide gap between the rich and the poor and it is still widening.

Colonization brought **westernization** but it was only to enslave us to them. Western medicine cures your illnesses but leaves toxins in your bloodstreams. Education makes people compete for white color jobs when those grades in your **certificates** mean nothing.

Porn is a favorite weapon of colonizers. When Israel took over Palestinian TV stations in the West Bank, they broadcast porn. After the US invaded Iraq, porn flourished.

For most people, sex has become an addiction. Porn is the crack. In the 19th Century the British fought the Opium Wars because the Chinese wouldn't take their "medicine."

For the past 50-100 years this weapon has been used against us and increasingly porn is setting societal norms.

We have HIV/AIDS. It kills many people. Invented in the 1980's. Cancer and all manners of manufactured diseases, they keep the cure to themselves. Someone is enjoying big time when people die. I don't know how many people they are planning on killing with this Corona thing but what I know is that they wanted very badly to wipe out Africans. Covid-19 backfired. Ebola didn't go as planned. HIV/AIDS went sideways. God loves us. It's a miracle. I could have died a long time ago but here I am narrating this story.

Africa is on a depopulation spiral. Bio-weapons were deliberately infiltrated into vaccines. The end result is death and disease for peoples who live on one of the wealthiest continents on the planet. Somebody wants Africa badly enough to kill all Africans for it. Poverty, malnutrition, diseases, violence, inflation, lack of production, value-less currencies etc. plague every African nation. One would have thought that enough 20th century technology exists. It is true to some degree to say that your own people keep you down; The Boule is proof of this. Color of skin inspires loyalty to racial elite that serves the wannabe 'master race' of Earth. Covid-19 didn't kill you but its vaccine will; my advice is that don't fall for it those people are wolves in sheep's clothes.

"We will send in the missionaries to inoculate the population with a vaccine that will only spare the good of heart by virtue of its design".

Inoculation of the masses shall be masked in the body and their blood shall carry the doom.

By revealing their secrets their power diminishes. Good always prevails through positive application whereas the bad guys are hindered and slowed in their criminal endeavors through having to cover their negative action with lies to support lies. This eventually allows the truth to emerge.

The Boule mirrors the white power structure. Just as these blacks betray their own people, so members of the Illuminati betray their friends and neighbors, culture and civilization.

Conspiracy Theorist and Futurologist Steve Cokely, says: "Anywhere there are prominent professional Blacks, chances are they're in the Boule." Martin Luther King and Jesse Jackson are reported to have been Boule members, as well as Barack Obama, Bill Cosby, Al Sharpton and Thurgood Marshall.

Harry Belafonte said Martin Luther King was killed after he realized that he was a pawn, that he was duped. Martin Luther King saw that de-segregation would impoverish the black community. Now there is no black community; we have no real leadership and we have no collective economic power. Put together we have a lot of money but we are the targets of corporations. This is what the civil rights movement has brought us. And the Nation of Islam was started by the Jesuits to foment race war.

Of course, Mandela had been in jail since 1963 when captured in a raid on MK headquarters at a farm outside Johannesburg. The ANC was funded and run by Communist Jews who in turn were skills for the Illuminati bankers. Mandela posed as a farmhand.

The farm was purchased and run by the Jewish Communist Arthur Goldreich.

The members of the Boule pose as freedom fighters or civil rights activists on the surface. In truth, they are operating for personal gain. The Boule works in concert with their masters in maintaining the grip of Illuminati supremacy.

The Boule recruited top Blacks in American Society into its ranks. Today, 5000-plus Archons, (male Boule members) and their wives, (Archousais) in 112 chapters make up the wealthiest group of black men and women on the planet.

Who does the Boule really serve? The satanic global elite. As long as a Black member conforms to the rules, the riches will flow in abundance; if not, down comes the hatchet. Blackmail is part of the deal. This Masonic secret society has a pyramid structure like all the rest. The lower ranks are kept from knowing what the upper ranks are doing.

The Illuminati is behind the homosexual agenda, AIDS, and the sexual revolution. They foster anything that is in rebellion against the Christian God.

Illuminati members live double lives. At night, they engage in these satanic rituals. By day they are found in all walks of life: medicine, education, psychology, therapy, banking, law, law enforcement, government, technology, military, charities and religion.

They are everywhere. The worst are in the news on a daily basis posing as our "leaders."

The world has been divided into ten regions. Different groups are in control of North America. They are related to the Crowns of Europe.

Evil people rule the world. That is why we always go from worse to worst. The physical body is the prison and your soul is a prisoner.

God Almighty wants you to act on HIS behalf and restore the earth to a good and loving place. He does not want you to ignore evil and sit idly in the company of good souls whiling away your precious time. Precious because your life on Earth is very short.

God wants you to improve the fallen souls and selflessly help the needy and those who are facing difficulties.

Pornography is introduced into the lives of children in some new and highly creative ways, and this should also be considered by parents concerned for their children's welfare. The industry taking consumers on a ride leading to their enslavement.

Perversion is the way Satanists worship. Just as a Christian might perform works of charity, the Satanist will prey on children.

Many Jews have a prominent role but the Illuminati is not predominantly Jewish. Muslim, Christian, Mormon, Wicca, Pagan and New Age groups all play a role.

According to the gifted researcher, David Livingstone, Lucifer's plan was formulated in the Cabala in the sixth century BC, when the Jews were being held in captivity in Babylon. According to the Bible, this Exile was punishment for adopting the paganism of their neighbours, the Canaanites. They appropriated the ancient worship of the dying-god, Lucifer. Among the heinous practices prescribed by this cult were "mystery" rites involving music, intoxicants, orgiastic sex and human sacrifice.

Illuminati defectors testify that these practices continue today. Livingstone says these rituals usually involve sexual orgies where a priest and priestess impersonate the god and goddess in a "Sacred Marriage." They become possessed and produce a "son of god" who would then rule as king.

This gratuitous mass inoculation sets a bad precedent. I don't want to speculate what excuse they will find for the next one. This is the shape of socialism in the New World Order: enriching corporations by degrading, endangering and drugging the population.

It's possible that World War One was a disappointment to the Elite in terms of the numbers killed. The Spanish Flu killed three times as many people as the war. Whether the "Spanish Flu" was deliberate or not, we cannot say. But apparently the US Army has a record of experimenting with drugs/ chemicals/bacteria on unwary soldiers.

The "Elite" cult has made no secret of its desire to decrease the world population.

Mueller: "I am not a doctor, you understand, but the 'double-blow' referred to a virus, or actually a pair of them that worked like a prize fighter. The first blow attacked the immune system and made the victim susceptible, fatally so, to the second blow which was a form of pneumonia... [Schreiber told me] a British scientist actually developed it...Now you see why such things are insanity. These things can alter themselves and what starts out as a limited thing can change into something really terrible." Sounds corona to me.

Mueller said the flu started as a US army bacteriological warfare weapon that somehow infected US army ranks at Camp Riley, KS in March 1918, and spread around the world.

What a tawdry tale is modern history! Instead of grasping greatness within reach, the human race is paralyzed by a morbid spell.

Why do terrorist groups bother certain countries? They create war in Iraq and Afghanistan and steal oil and other resources of those people. Kenya will always send troops to Somalia to keep off terrorists. Someone is funding them and giving them weapons. Terrorists in Nigeria and western parts of Africa. Someone wants the children in those areas to die.

The Afghan war has some immediate "benefits" to the bankers: perpetual war, arms spending, drugs, pipelines etc. But it is part of a larger "war of civilizations" designed to pit Christians against Muslims, and degrade and destroy Islam. Look for it to expand and go on forever.

I'm not an expert on the politics of the Asian subcontinent. But it appears that the Afghanistan war should be seen in a larger regional context. Zbigniew Brzezinski advocated a "global-zone of percolating violence," that included Central Asia, Turkey, southern Russia, and the western

borders of China. It also included the entire Middle East, the Persian Gulf (Iran), Afghanistan and Pakistan.

The same gang of Satanists and mass murderers continue to rule our planet. Our politicians are their conscious or unconscious agents. This doesn't bode well for the New World Order. . George W. Bush and Barack Obama have suffered similar trauma and have multiple personality disorder.

President Obama endorsed the charade: "My good friend Tony Blair – who did it first and perhaps did it better."

Obviously Blair's role is to usurp Christian leadership and expose religious belief to ridicule. Along with another phony, George W. Bush, Blair caused the death and maiming of an estimated one million Iraqi civilians. They're sociopaths, not Christians.

The public is not deceived. One reader commented: "Since he has so much blood on his hands, he thinks by turning to religion all will be forgiven."

Ostensibly, the purpose was to prevent Russia from becoming an imperial power again. But that doesn't make sense.

On Oct 29, 2009, Hillary Clinton infuriated Pakistani officials by saying she found it "hard to believe" the ISI didn't know where Al Qaeda leaders were hiding. Her role is to maintain the fiction that Al Qaeda and the Taliban are not CIA creations.

Clearly the Iraq war will end not when the Democrats or anyone says, but when the Illuminati bankers decide it will. It was the same with Vietnam.

What do these countries have in common? They are Muslim. Islam is the last redoubt of faith in God. The Illuminati are Satanists. Put two and two together.

The Illuminati is reshaping humanity by destroying the four pillars of human identity: race, religion, nation and family. This is also the Communist platform.

There's a BBC video of Former Treasury Secretary Henry Paulson giving the Masonic "triangulation" sign (a pyramid with the fingers) around the 3.20 min mark. Paulson succeeded in raising the national debt to \$11 Trillion last week. Under the Illuminati administration of George W. Bush, the national debt doubled! He spent as much as every administration that preceded him. Prince Hall Mason Barack Obama has outdone him.

During the 2008 election campaign, Barack Obama caused uproar with a slip of the tongue. Americans want to be deceived but they demand a certain level of competence. They don't want the harsh truth thrown in their face.

Obama's statement demonizes people who resist this rapacious and evil program. This is what Communists (and Socialists and Liberals) do as a reflex. They need to dehumanize people who cling to their God, country, heritage and family. They need to believe we are prejudiced, hate-filled fanatics, yokels and fascists.

Here is what he said:

"You go into these small towns in Pennsylvania and, like a lot of small towns in the Midwest, the jobs have been gone now for 25 years and nothing's replaced them. And it's not surprising then they get bitter, they cling to guns or religion or antipathy to people who aren't like them or anti-immigrant sentiment or anti-trade sentiment as a way to explain their frustrations."

Obama depicts religion as an irrational prejudice fed by economic frustration. "Antipathy to people who aren't like them" refers to the homosexual and feminist activists who are destroying the institution of the family. "Anti-immigrant or anti trade sentiment" refers to policies that protect national or racial character. "Guns" refers to the necessity to render these people powerless.

Obama managed to touch all the bases. . Obama is a "Christian," a "Muslim" and even a Jew. He is an Indonesian, Kenyan and an American. He is Black and White. He is a perfect leader for a new world bereft of race, nation and religion: In fact, he represents an alien satanic force, the Illuminati, intent on gradually enslaving mankind.

This dude sits at the left hand of Lucifer's throne. The false prophet at the right hand of satan. He makes sure every detail is precise. Every banker's puppet has to accomplish their mission. Sometimes they do a terrible job. They actually eat children's hearts to make them more and more cruel. More than a trillion souls have lost their lives to this trauma-based mind programming. We are ready for your every gimmick.

Osama bin Laden died in late 2001 of Marfan syndrome. The "assassination" by Navy Seals was designed to rescue Obama, who was embattled by "birther" and other issues.

Freemasonry represents a conspiracy against society that has gone so far as to make treason the norm, and outlaw mention of conspiracy. Freemasonry is an extension of the "Jewish" conspiracy, creating a Gentile establishment to do its bidding. The Jewish conspiracy in turn is an instrument of the Central bankers who wish to use Jews and Masons to protect their monopoly on credit (money creation) and turn that monopoly into control over every aspect of your life. Hence the bogus "war on terror."

On Sept. 21, 2008, Mary Anne said that tens of thousands of children will be sacrificed that night (the autumnal equinox) in Illuminati ceremonies. The children are bred for the purpose or kidnapped. Satanists believe they gain power from killing. Often they rip out the heart and eat a piece of it. They prefer it to be still beating. At Easter, they kill adults:

There are also sexual rituals involving young children. They are believed to increase power, and create fear and solidarity in members.

The Illuminati count on people to be incredulous. That's their protection. The more egregious their crimes, the safer they are.

In an Internet post May 29, 2009, Emily Gyde, an Illuminati defector who claims to be the real author of the Harry Potter series, said Barack Obama told her this:

"I remember PRESIDENT OBAMA talking to me about how he had joined the ILL CULT

- he didn't want to - but he described himself as just an ordinary guy who wanted to take a wage packet home ...that is how it was. He didn't want to end up on the streets...at the end of the day, it was all about money... you had to have it to live...if he hadn't joined the ILL CULT.. .he would have been disbarred ...he wouldn't have got a job...wouldn't have been able to live...that's how a lot of people get conned into joining the ILL. You are young, you want to prove yourself in life - you are told that you will 'never get a job' if you don't...the ILL prove how powerful they are."

The satanist cult that has colonized mankind meets every July at Bohemian Grove, 80 miles north of San Francisco.

Over 2000 members – the political, corporate, cultural and military elite of the world– gather for satanic rituals including human ritual sacrifice. They have been meeting there since the 1880's.

Although Jews make up no more than 2.5 % of the US population, Mars shows how Jews (and Israel) dominate business and government, not to mention entertainment to the detriment of Americans. The recent credit crisis is portrayed as outright theft from the US taxpayer by Jewish bankers.

The **Muslim** religion was created to **harbor** terrorists. It is sad how good people became slaves to that religion. When you pray five times a day all your life, you fell deeper and deeper into trance. **JESUS** can break you out of that prison.

The gradual phasing out of Christianity and the triumph of "secularism" is but stages in the inauguration of Satanism as the new world religion. (Satanism is not really a religion because Satan replaces God. A religion by definition is about obeying God.)

Most religions have **strict** code of conduct that people have to adhere to. The victims **brainwash** each other through **chanting** and study sessions. A strong bond is formed when people have **shared experiences**. That strict code is **infiltrating** the **Christianity** religion and I see a similar **pattern** everywhere. People have become slaves to churches. You have to follow **CHRIST** wholeheartedly. Stop being a **lukewarm** Christian.

"Your churches will be used to teach the Jew's religion and in less than two hundred years, the whole nation will be working for divine world government. That government that they believe to be divine will be the British Empire. All religions will be permeated with Judaism without even being noticed by the masses, and they will all be under the invisible all-seeing eye of the Grand Architect of Freemasonry."

When someone is recruited into terrorism, you undergo **military training** and **suicide** programming. They trick you that you are fighting a **holy** war and your reward is **twelve** virgins in heaven. Those terrorists enslaved each other; they believe that killing **innocent** women and children is right. That is how programming tricks your mind. **Jihad**, my foot.

Most religious groups **masquerade** as servants of God but they only devour the sheep. Buddhism and Hinduism in Asia. Islam in the Middle East. Catholicism and traditional forms of worship. These cults spread all over the world through interbreeding, missionary work and assimilation.

Judaism is a secret satanic cult posing as a religion. Hoffman's main point is that Judaism represents the repudiation by the Pharisees of both the Old Testament and the Mosaic Code. Judaism is not Monotheistic but Luciferian. Its goal is the replacement of God with the secret Jewish leadership. Both the Talmud and the Cabala are dedicated to the proposition that only Jews are human. Their Jewishness is cultural. They have contempt and even hatred for Orthodox Jews who return the compliment.

The hidden agenda is pagan and satanic. Judaism uses the Old Testament to draw people into the fold. Judaism is a satanic secret society like Freemasonry, not a religion. This is why you don't have to believe in God to be Jewish.

An agreement was forged between the Jewish Masoretes and the Catholic Church c. 1000 A.O. to change the name of God in the Hebrew Old Testament to the pagan name Yahweh/ Jehovah via the tetragrammaton.

This explains Rosenthal's saying, "We are amazed by the Christians' stupidity in receiving our teachings and propagating them as their own."

The wise Solomon asks, "What is [God's] name, and what is his son's name, if thou canst tell?" (Pro 30:4). God's name is **יהוה**, AHAYAH (sometimes transliterated Ehyeh) meaning I AM. This is the name given to Moses along with the Law. "And God said unto Moses, I AM THAT I AM: and he said, Thus shalt thou say unto the children of Israel,

I AM hath sent me unto you...this is my memorial unto all generations." (Ex 3:14-15).

"I AM the Lord thy God...thou shalt have no other gods before me" (Exo 32:4-5).

: Jewish religious ritual combined with the worship of knowledge and self. The Jews as a people, by rejecting God and/or accepting Jehovah, have been given over "to a reprobate mind... Being filled with all unrighteousness..." (Rom 12:8-31).

Vain repetitions and head-bobbing during Jewish prayers aid the entrance into a trance state. All cults do this; they only pretend to be worshipping God. . These prayers are nothing more than disguised demonic invocations. They are hypnotic spells, similar to the Enochian language of the Church of Satan.

Satan is the author of confusion and goes by many names. Many of the ancient pagan deities were Satan and his angels in other forms (*"The Two Babylons,"* by A. Hislop). The Jews employ a number of false names for god in their rituals, which are also alternate titles for Satan and other powerful demons.

By reverencing their name of God (YHVH) by not speaking it, Jews create an air of mystery and holiness around the name while enhancing the curiosity surrounding its pronunciation and power. When curious Jews and non-Jews alike see the "sacred" tetragrammaton being used in occult practice, they are intrigued by the prospective that these sorcerers have harnessed the mystical powers of the name.

Since the days of Jeremiah, the Jews have forgotten their god's name and replaced it with the title "Baal" or "YHVH": The lying prophets "Which think to cause my people to forget my [God's] name...as their fathers have forgotten my name for Baal." (Jer 23:27).

YHVH and Baal both represent the god of sexual perversion and wickedness, Satan.

However, Jews claim that this name (YHVH) is not to be spoken aloud, despite God's command to declare His name throughout the earth (Exo 9:16). Why ignore this commandment?

Lucifer's purpose is to deceive the whole world (Rev 12:9) by transforming himself into an angel of light (2 Co 11:4). This is best exemplified by the Freemasons. Their motto of "making good men better" produces a far more favorable public image than the more accurate alternative: "how to become demon-possessed in 33-easy-steps." The Jewish and Masonic religions both worship the same god.

Lucifer's goal is to "be like the most High" (Isa 14:14) and to usurp the worship of God (Mat 4:9).

Rosenthal said: 'Most Jews do not like to admit it, but our god is Lucifer – so I wasn't lying – and we are his chosen people. Lucifer is very much alive.'

## "SUPERSTITION"

Naturally, they must disparage real religion and God as "superstition." This is because God speaks to us through our conscience and soul and is the principle of our development. We are not going to be docile animals if we are listening to our conscience.

God is the ultimate (and only true) reality, a state of being in which ideals of absolute goodness, truth, justice, beauty and love are self-evident. They don't want us to know that.

Man is a soul that naturally craves and strives for this state of being. God wants to know Himself through us. This requires us to change by refining our carnal instincts in the foundry of the soul.

Whatever Christianity's faults, it was about making spiritual reality paramount, saving our soul by obeying God and doing good

God isn't consistent with two percent of the world's population owning more than 50% of the wealth.

So the bankers replaced God with Money, which they create and control. We will obey bankers instead and find salvation in money.

The bankers want to arrest our development. They want us to worship Lucifer who symbolizes their rebellion against God, nature, and all that is healthy and good.

Adultery is allowed. Fornication is encouraged. Divorce is given court proceedings. Pedophiles and rapists roam in our streets. You can't resist what you can't detect. People want boyfriends and girlfriends. How did we reach here? One word answer to that question is **sexual liberation**. **Seduction**, my foot. You have been programmed to get turned on "**ukitongozwa**". Those who don't do it get (sorry, let's just be friends, you are nice-blah blah blah). Don't make me laugh.

What had been prohibited would be allowed: adultery, incest, and pedophilia. (This is the occult origin of our "sexual liberation.") Inspired by the Cabala, they practiced "holiness through sin." Good would come through the annihilation of Western civilization and the triumph of Evil.

People are encouraged to welcome aliens who require subservience from humankind. This is reminiscent of the Biblical description of Lucifer seeking to be as God, elevating himself in misplaced pride, resulting in his fall from heaven as he seeks to corrupt and demonize God's creation.

Cabalists control mankind by controlling the Hegelian thesis and antithesis. With Communism, the Cabalist bankers attempted to take our country, property, family, race, religion and liberty (still the goals of the NWO.) The reaction to Communism was Nazism, and the reaction to Nazism was Zionism. All three monsters were built in the same occult laboratory using common parts.

This satanic hatred of humanity and Christianity in particular, is driving the New World Order. There is a direct line between the Crucifixion of Christ, who represented the God of Love, 9-11 and the New World Order in terms of the degradation of humanity through war and depression. If this logic is correct, humanity's fate is to be crucified like Christ or otherwise slaughtered or enslaved.

Modern history and culture reflect a Cabalistic (satanic) spell and curse on the human race. It is dedicated to the enslavement of mankind by the "Jews" who in practice will be the crazed Illuminati Order.

"I have seen every sexual combination imaginable," she said.

These activities made Illuminati members blackmail-able and enforced group solidarity. As members of the Illuminati order, they felt superior to all and beyond the rule of law. They had a sense of entitlement. They had been selected from an early age and had "paid their dues."

Mary Anne had been present in the White House with Reno and Madeleine Albright when they dismembered a male child. He was stabbed in the heart and they watched him bleed to death,

Sexual liberation is designed to undermine marriage and family. "Do as thou wilt." Seek sexual titillation. Never mind that child rearing requires the commitment of a married man and a woman.

Homosexual marriage is promoted to redefine marriage and encourage heterosexuals to engage in promiscuous sex. Sex is the lowest common denominator, reducing people to animals. People become bodies to be exploited. This satanic state of mind has invaded society.

Modern sexual mores were shaped and promoted by Illuminati Satanists, and this is typical of what is happening in society in general. Secular was supposed to be "neutral" but in fact it is a mask for Satanism. We are all being inducted into a satanic cult, fed a constant diet of sex, violence, fear, discord and dysfunction.

Can you see how, in these terms, heterosexuals have become like homosexuals? Courtship is almost dead. Anonymous sex ("hooking up") is in. The marriage and birth rates are down 33% to 50% from 50 years ago. Forty per cent of children are born out of wedlock.

Heterosexuality is not a "lifestyle preference." Heterosexuality is being part of the natural life cycle essential to personal development, happiness and the survival of the species. A country that cared about its survival would foster courtship, marriage and family. Children need the security, love and example of heterosexual parents in a strong marriage.

A country that has been subverted by an alien occult financial power undermines its young men and women. Our politicians, media and educators serve this alien financial power.

The bankers want you to behave like gays. They want you to have sex but not marriage and family. They are teaching you to engage in practices that will ruin your life and may prove fatal.

The nuclear family is the basic building block of society. We derive our identity, meaning, values and security from it. Heterosexual marriage is the basis for raising the new generation to be productive responsible citizens. It is an essential step in our personal development and fulfillment.

Girls need their father's approval to affirm their femininity and to eventually establish a bond with a man. Boys also need their father's example to grow into strong independent men capable of leading families.

Since when did you start worshipping women until you commit suicide or kill her if she can't love you back? You will find someone who will love you for who you are. If a woman is seduced into wearing trousers, her generation will be **programmed** to walk naked on broad daylight. Look what happens when you believe that seduction is love. Ezekiel 13:10

Some women have certain traits that make me avoid them. She has television addiction, she can't watch enough drama. She withholds whatever it is that you want from her until you do her bidding. She flirts with other men to make you jealous. She makes you jump through hounds and bounds just because she can. She plays the victim card. She competes with you: Who should be the leader between two spouses? She is a feminist.

She showers you with too much love. This bit of manipulative behavior is common among people who had little parental love. They are starved of affection and will try to give you as much as they can as fast as

possible. That is why she is extremely needy- she needs constant reassurance of your love and validation. Same goes for men. It is because you can't stop watching soap operas.

I still don't understand why you would watch those fantasies. Maybe your psychology is reversed and you will never stop seeking approval from women. Rejection means nothing and don't cry over it. If you are like most men, you take rejection personally. When a woman rejects you, she's actually rejecting your approach, not you as a person. If you use a different approach, then you will start laughing like the rest.

The right password is all you need. Confidence is at the **core** of every approach. We all know of some guy who loved a girl to death only to be stabbed in the heart and dumped like garbage. She wants to be the star in her own romance novel, swept away by a masculine hunk in a thrilling adventure. She is emotionally enslaved to her insatiable need for drama. Don't be a wimp.

She is blameless in her own eyes. She whines and plays mind games until she gets what she wants instead of improving on herself. She has Narcissistic Personality Disorder meaning she follows her emotions instead of logic. She twists facts and has entitlement mentality. Just wake up, I don't owe you anything neither does society.

She's always on the phone; it's not only an addiction-excessive phone use leads to dishonesty. She wants to feel good about herself. She wants to present herself as attractively as possible on online dating platforms. She tends to embellish many of her online personas.

She may have past trauma that still haunts her. In this case, she does mean to manipulate you but still she might be taking you for a ride. She has a lot of emotional baggage that you are starting to feel like her therapist. She can't handle it so she dumps it all on her current boyfriend, never realizing she is stuck in a loop. Her inability to process these emotions is likely caused by a bad relationship with her father.

She has compulsive attention-seeking behavior. A woman's addiction normally take root in her youth when something important was missing in her life- a parent, home, education, friends etc. She develops her addictions as substitute coping mechanism for that stress. Her addictions are not her fault but whether she fell into that prison by accident or on purpose it does not change the fact. Proverbs 2:16-19

She gives you the silent treatment to monopolize your attention. Thanks to feminism, women grow up thinking that they are equal to men in all aspects of life. But once they step into the real world, they fail to match up to men's performance, and this makes them feel insecure. The more feminist a woman is, the more she'll will have been brainwashed to believe that men are always finding ways to oppress her and will resist any attempts to compromise.

Victim mentality means she is selfish and lazy. She expects you and the rest of the world to do things for her because "you owe her". If she has addictions then it means she has tendencies to lie, cheat, steal or whatever it takes to get her fix. She carries a vibe of hopelessness and pointlessness.

Women who are too serious to have suffered a tough childhood that is why she can't appreciate humor not even from her spouse. When you in love with a woman, it's easy to say 'yes' to her rules and requests; you are about to get a girlfriend and you want to make it official but you are starting the love on the wrong foot.

When it is her who "makes the rules" it means she is the one leading it and not you. And relationships led by women always lead to the same outcome (if you don't do what she says then you ain't getting any).

Now many years later this woman who was walking all over men in her youth wants to lead the marriage. Her behavior will teach the kids that it's okay to disobey dad. It is your job to lead the relationship, not hers.

She has body modification. Some might argue that tattoos and body piercings are ways of expressing oneself. Come on, there are constructive ways of expressing oneself such as art, fashion, dialogue, work etc...To go through **destructive** ways of expressing oneself reveals deep emotional issues.

She jumps from one man to another. You know why women will never make moves on men. It is because all those romantic movies she watches have killed her **self-confidence** to the point where she fears rejection. I don't buy all the excuses you can come up with. That is why they say that the number one thing that a woman wants in a man is confidence. It is because hers is gone and she wants to hide behind your confidence.

First rule of seduction is nice equals boring. The Pick-Up Artists (PUA) eBooks brainwashes you into having the nice guy **syndrome**. The books are designed to make you fail over and over again so that you can buy more material. If you win in love then those guys won't have a job. You fail so that you are brainwashed to seek more advice.

My time is precious, snowflake. Love brought about by that thing does not have a strong foundation. The passion in marriage dies out within a few years. Women want novelty and variety. I would rather be a lone wolf forever than be involved with such nonsense. Proverbs 21:9

Some people have zero to no confidence at all that they will upload their photos all over social media platforms just to seek approval from strangers. You know it deep down in your heart and when you arrive in hell, do not say that I never warned you.

The female focus is also reflected in the obsession with "relationships," encouraging more woman-worship and co-dependency. "Relationships" are a female preoccupation. None of this means the Illuminati give a damn about women. They are promoting them to feminize and destabilize society, and because women are easier to manipulate and control.

All the things you watch on YouTube and the romantic novels you are addicted to will kill your confidence and your generation will walk naked just to seek approval from strangers aka "**my dress, my choice**". We know that you are just faking it no matter how hard your outer shell is.

The worst seducer is the devil himself. He seduces people into hell. Women are tricked into wearing jeans. The trick starts in school when all girls are made to wear tracksuits. That is why you will never understand why women will walk naked in the future. You won't see it coming when someone is toying with your emotions. You fall deeper and deeper into trance until one day we won't know where your clothes went. Watu wanaingia hell wenyewe.

It is a vicious competition and nice guys finish last because nobody shows you how to play the game or what the rules are. The winner gets to take the girl home. Figure it out or find someone who has figured it out to help you. Why would you need to be **seduced** to love someone? Survival for the **smartest**. 2 Timothy 3:13

Men who get women don't need them and don't want them. They aren't pretending. They don't want them and they don't need them. Test this formula in reverse. Are women attracted to men

who adore them? Temporarily maybe. But ultimately, women don't want to be idealized. They want to be seen and loved for whom they really are. A real woman is somewhat passive by nature. She looks to her husband to give her purpose. So she doesn't want to be HIS purpose.

You squander your romantic life as the poster boy for needy. People are programmed by the mass media and education to regard sex and love, especially sex, as the prerequisite for my personal development. We are taught that these are the highest experiences life had to offer. In other words, we are inducted into an occult secular religion which required. . . . Loving a woman.

Society taught us to idealize attractive women, worship the "goddess" within, and need them to validate me. At the same time, women were programmed to think they were more unique and important than they really were. In heterosexuality, women empower their husbands by exchanging their worldly power for his power expressed as love. But, without their knowledge, women were reprogrammed to seek power instead. They were trained to emasculate men where before they empowered them.

They are on the forefront of destroying traditional cultures by breaking up the family. They are championing "women's rights" through loans mainly to women to make them independent of men.

Attractive women are rarely portrayed in a negative light in movies or TV. On the contrary, the rule was sex appeal = moral superiority. If an unattractive person was cast, the chances were s/he was a bad guy. No wonder we pursued chimeras. No wonder marriages are built on delusions.

Sex is a reproductive function. Nature gave it some charm and urgency to make it happen. Instead of a short mating and procreative stage, the Illuminati have turned sex into a lifelong obsession. This is designed to distract and make us stupid. Revelation 2:20

Sexual perversion stems from making sex an end in itself, separate from procreation, love and marriage. The trend toward promiscuity and family breakdown, portrayed as "progress," was planned by the Illuminati decades ago.

I would rather get stuck in the **dreaded** friend zone than be a **master** seducer. God has given me free will and bankers won't take it away. They don't have such kind of power. My **instincts** tell me to run in the opposite direction. Ni wanoma, they are natural-born **geniuses**. Intelligence runs in their **bloodline** through **incest**.

"Interbreeding amongst the British royal family over generations has created concubines, illegitimate children and agents of war. The British Royal family are then shamed by these events and then manipulated into any activity their owners require ... This gave [the Rothschilds] consummate power over the British Royal family, and any others they interbred with, which was all the royal families of Europe ... "

"England's" animosity against Germany was part of an agenda to use a catastrophic war to undermine Western civilization, and advance the Judeo-Masonic New World Order. Three empires disappeared in that inferno while Communism and Zionism rose like the phoenix.

The marriage of Jewish finance and British aristocracy took place literally. Spendthrift gentry married the daughters of rich Jews. Pine is scornful of the British aristocracy: "A man is not usually thought the more of, because he has married a woman for her money...An ancient estate is likely to be sold unless some large sums are found. The sums are found from marriage with a Jewish heiress..."

A woman has been tricked to want **equality** with men on every aspect of life but when it comes to matters of the heart, you want men to make all the moves. You are too passive, utachora zigzag kwa floor hadi lini? Return to how it used to be. Don't be ashamed of being a **virgin**.

Terrible to the point where a man has to get on his knees for a marriage proposal. Begging for love and all you need is an excuse to do it. You are being "**romantic**". That is how powerless you get when all you think about is sex. I hate it when someone goes on one knee, Will you marry me?

Comte said the first step in the "worship of humanity" (Humanism) was to make women goddesses.

"By substituting goddesses for gods, we sanction the legitimate preeminence of women.... In a word, the new doctrine will institute the worship of Woman, publicly and privately, in a far more perfect way than has ever before been possible. It is the first permanent step towards the worship of Humanity."

Seduction makes you fall in and out of trance until one day you become a slave to your **seducer**, run away from it. It leads to hell and it will be too late to repent. These days **enslavement** is **love**. That is the new **norm**. She can't love you on the first date. Why does it have to be seven months? I am lucky to have someone who loves me at first sight.

Ever wondered why pornography is all over the internet? Ever wondered why people don't get tired of seeing dirty videos. There is a saying that we don't go to hotel to see people eat food. You cannot get satisfied from watching people eat, how you are supposed to get satisfaction from watching people go at it. The performers don't enjoy being touched by strangers. It feels sick. Those people go to work in that company. The men use **Viagra** and in the evening you go home. The women who are trapped there are **drug addicts**. They need the money to buy opium or whatever. Everybody is on drugs. It's an empty lifestyle trying to fill up a void. The girls are traumatized and get high to numb their pain.

Shelley said: 'Many actresses experienced sexual abuse, physical abuse, verbal abuse and neglect by parents. Some were raped by relatives and molested by neighbors. When we were little girls, we wanted to play with dollies and be mummies, not have big scary men get on top of us. So we were taught at a young age that sex made us valuable.'

Often they are teenage runaways picked up by pimps. They only escape one circle of abuse by entering another; they can't run from the pain so they go towards it. Fast forward a few years and they find themselves in a zombified state; drunk and drugged on a porn set as they re-live the same abuse they experienced growing up.

Shelley continues: 'The same horrible violations we experienced then, we relive through as we perform our tricks for you in front of the camera. And we hate every minute of it.'

During the little satanic ritual that followed, she hit rock bottom: 'I sold what was left of my heart, mind and femininity to the porn industry and the woman and person in me died completely on set.'

Then something remarkable began to happen; Shelley's survival instincts kicked in and she reconnected with the Christian God of her childhood and, after taking a period of rehab to recover from her ordeal, she started on a crusade to expose the reality of porn.

She marketed herself as a charismatic public figure in the televangelist style, telling her life story in a confessional manner. The hub of her operation is the "Pink Cross," a charity that launches fierce grassroots activism.

There is one overriding truth to Shelley's work; behind whatever thin veil of glamour they masquerade with: porn stars are prostitutes.

Porn stars rarely start out from a love of sexual exhibitionism. Along with poverty and broken families, childhood abuse is very common.

The brutality of most porn videos is obvious to anyone who has seen one. A typical film consists of one or more huge guys on steroids having violent sex with a girl.

Porn users only see a well-edited film. They don't see what happens behind the scenes.

The customers who visit those websites fall deeper into prison than the last time you browsed your computer or phone. That is why you feel like your head is spinning if you do not open your **favorite** website in the next few days. That thing makes you so lonely that we can read it on your body language. You won't stop 'killing' the **monkey** aka jerking off. Ezekiel 13:23

Wondering why kila dem huavoid rada zako. JESUS has the power to break you out of prison. That is an **addiction**. Any addiction is at its root an escape- an escape from fear, shame, guilt and other unpleasant states of emotions. If you do a certain sin, your generation will be tempted by that same sin.

Most performers develop some form of incurable sexual disease during their career and some are killers; AIDS is still loose in the industry. Every time a performer steps in front of the camera they are playing Russian roulette with their lives.

There is nothing clean about porn; it is diseased prostitutes having sex with other diseased prostitutes.

It is incredible to realize that it has become the norm for young men to grow up watching videos of trafficked women being abused for their amusement. It is legitimized by the silence of the media, education system and religious groups, who rarely denounce it.

A porn habit can terribly pollute a man's image of women and sex. He will become cynical and believe that any nice qualities a girl has mask her true essence; the whore he sees on screen.

"Our generation has been conditioned to accept porn from a young age.... In primary school I even remember my classmates having soft porn material and phoning sex lines. Then, growing up watching porn online, from 15 onwards, all the way through university, was normal for all the guys my age. I then realized how much pornography and lack of stable relationships were making men too obsessed with sex to focus on anything important. So I came to the conclusion porn was an attack on us." Statement from David Richards.

It is a prison and some prisoners try to break out all their life. From the kidnapped child to the people who seek privacy for their next dosage. Glory to God for saving His people from that prison. Porn and all that is useless.

A drug addict falls deeper and deeper into prison and you will want more and more. The **drug lords** and **peddlers** who supply those things want you in that prison. That is the only way they are going to make profits. Our people become **victims** since **teenage** years until their death.

In the 1950's, the CIA experimented with LSD for use in interrogation and as a weapon. In the 1960's they used this weapon to divert idealistic Americans from the path of social responsibility to one of introspection and self-gratification, i.e. "spiritual liberation."

"American Intelligence Services" funded the occult.

"Many of America's high ranking military men were members of various Satanic Lodges or kindred organizations." They overlapped with organized crime and drug trafficking. US and Australian Navy ships were used, as well as oil tankers.

Brothels and porn are a small part of the "International Satanic Empire" (i.e. Illuminati.) Most of the money comes from CIA drug trafficking, sophisticated blackmail, money lending and currency trading.

Women have been oppressed by the bankers. They program bad people to inflict pain on you and on the other side they program feminists to fight for "**women's rights**". All the sexual harassments and **Women representatives** in parliament is just putting a show for us to see. Girls lack money to buy sanitary towels; that is why they go to older men then they end up pregnant. What comes next is to drop out of school to fend for the baby.

Social movements and ideologies are also contrived to advance the New World Order: sexual liberation, women's liberation, the civil rights movement, gay rights, feminism, diversity, multiculturalism.

We can apply these lessons today by looking at current events in terms of how they advance World Government.

Obviously the Rothschilds' mass media helps them put over their subterfuges. Another example of their duplicity is the phony banker's coup of 1933, which was used to give their pawn FDR credibility.

Every woman has unconditional love for their children. They can almost do anything for them. Girls are taught in school that what a man can do, a woman can do better. So they don't have a choice. As a woman, she has to devote herself on two paths (family and career). If it does not work out, we get various surprises. Homicides, divorce, adultery, suicides and many other sins.

*Porn was created to degrade women. Feminism was created to destroy family and marriages. Racism was created to reverse psychology. Capitalism and communism were created to amass wealth. Democracy and dictatorship were created to enslave people. Networking was created to lead people into hell.*

The Illuminati bankers financed intellectuals who recommended ways to weaken society. In a perceptive article, "The Frankfurt School: Conspiracy to Corrupt," Timothy Mathews listed their recommendations, made over 50 years ago. Members of this school were all Marxist Jews, some Soviet NKVD agents. How many of these recommendations look familiar?

1. The creation of racism offences.
2. Continual change to create confusion
3. The teaching of sex and homosexuality to children
4. The undermining of schools' and teachers' authority
5. Huge immigration to destroy identity.
6. The promotion of excessive drinking
7. Emptying of churches
8. An unreliable legal system with bias against victims of crime
9. Dependency on the state or state benefits
10. Control and dumbing down of media
11. Encouraging the breakdown of the family

Now because we can't have career for everyone she can't watch her children suffer. She goes into prostitution. Her sins are inherited by her children; you can't blame a seven-year old for playing that "game". Over time, this is how we end up with relationships.

The vaccine (Gardasil) only works on girls with no sexual experience. So instead of teaching these children that it is self-destructive and degrading to be promiscuous, the government is inoculating them as if they were going to walk the streets.

Instead of pimping these girls, the politicians are taking their cut up front, from big pharma, profiting from promiscuity in the name of protecting "public health".

The unstated and outrageous assumption behind this vaccination campaign is that promiscuity is the norm. Human papilloma virus will not be transferred if people are selective and monogamous (and use condoms.) These girls have never had sex. Most will not have sex for years. Many will not be promiscuous and will not need this vaccine.

It seems like Illuminati Jews are obsessed with having sex as long as it is out of wedlock. The "falling in love" part is a fig leaf to cover making sexual promiscuity pervasive and socially acceptable.

The current Canadian government pretends to be socially conservative and espouse "family values." This is a funny way to do it.

Feminism has made women redundant by depriving them of their natural identity as wives and mothers. Sex is a powerful bond, especially for a woman. Promiscuity of any kind decreases the chance of a successful marriage.

Along with homosexuality, the Illuminati will promote incest as another way to destroy the traditional family. Break down the barrier to sibling incest and they will promote the parental variety, which they practice. The message is: have sex often with anyone but your future husband and father of your children.

The Illuminati are a homosexual cult. Now, like homosexuals, we have anonymous "hook up" sex but not families. Party lines and websites for anonymous sex are wide-spread.

To the objection that society, in fact, is vehemently opposed to incest and pedophilia, it is merely a matter of time. Look at the things society used to censure or prohibit: homosexuality, pornography, public obscenity, promiscuity, pre-marital sex, extramarital childbirth etc.

Throughout the modern period, sex was portrayed as a panacea. Sexual liberation was cool and advanced. Monogamy was prudish. Porn was made widely available. Now millions of people are addicted to sex and human relationships are reduced to "hot or not?" John 8:44

Dressing inappropriately to make people desire you. You want to feel **wanted**. They call it **fashion**. Women who wear high heels get proud in their hearts and you start looking down upon others. Before you realize it, you don't give a **damn** about anyone anymore. Entering into hell because of a shoe, hamjihurumii. Always pray before you eat anything. You won't look at your food the same way when I explain to you what you are led to believe that you are eating. Accept the way you are, you don't need **make-up**. All these prisons do their best to pull you into hell. Mathew 5:27-30

"Popular culture" (music, TV, movies, books, fashion etc.) is NOT spontaneous but Illuminati controlled and manufactured. EIR compares it with the drug trade in general: "Today's mass culture operates like the opium trade: The supply determines the demand."

Demons dig up the bodies of dead people and they present to you those bodies as food in every market place and you will never realize what you are eating until we arrive at judgment day then you are shocked how you were tricked.

That is why schoolgirls will always drop out of school; we have single moms everywhere, people getting dumped when a better deal is on the table. You won't see a pervert until he is gone then you are careful not to get caught next time. Hebrews 13:4

This is where it's been going for some time. Sex is the lowest common denominator and the best way to control and degrade humanity and destroy moral values and family.

The satanist Sabbateans who organized the Illuminati in the 18th century are a pagan sex cult. The world is in their grip. They are determined that their values will be ours.

In the last 50-200 years, the Illuminati has brainwashed us to see marriage and family in a negative light. It is very hard to find positive images in the mainstream media. This is not an accident.

Until the "sexual revolution" (1960's) most men and women were quite able to restrict sex to marriage. This ensured that women weren't exploited sexually and children were brought up in an emotionally and financially stable environment. Young children are vulnerable and need the undivided attention of at least one loving parent. Mothers need husbands to support them while raising children. Men and women are less likely to stay together if sex is freely available.

Sexual desire is largely created by the culture. It is blown out of proportion. Nature made sex appealing so we would propagate, not spend our lives seeking it.

This has been done by separating sex from both love and marriage ("sexual liberation,") and by teaching young women to seek sex and careers instead of marriage and motherhood ("feminism.") They use the media to make people think self-destructive behavior is advanced and "cool."

New York liberal Jews like Norma Klein probably had no idea she was advancing the satanic Sabbatean agenda in the 1970's and 1980's when she taught teenagers to have sex. The author of 30 books, she thought she was liberating young people from the chains of religious superstition.

I'll bet she didn't know that the Sabbateans are a sex cult, and premarital sex, wife swapping and orgies are part of their dogma. Most liberal Jews are unconscious of the Luciferian role they play by thumbing their nose at what is natural, healthy and decorous.

There was a religious war fought across many centuries. The Jesuits and martyrdom during the Dark Age period. Every war ever fought had concentration camps and death camps. You cannot comprehend the horrible tortures and deaths people went through. All those women raped, babies aborted and they get killed to bury the secret.

**JESUITS** distorted our calendar to make us disobey **God's** commandment that says *Observe the Sabbath Day and keep it Holy*. Those who worship on Sunday believe they are right but you were tricked into worshipping the **sun** god. Those who worship on Saturday believe they are also right but you were tricked

into worshipping the planet **Saturn**. Initially all months had thirty days but they played their tricks until we have months with **twenty** eight, twenty **nine**, **thirty** and thirty **one** days.

Now because you have corrupted all days, I worship my God daily; meditating on His word. John 1:1-5. You have decided to break all Moses' commandments. The smoke of your torments will ascend forever.

They created **CHRISTMAS DAY** to worship **Taamuz** and **Nimrod**. All the movies played on television during this period are to program people into believing that we are celebrating the birth of **Messiah**. Why are those movies not played on any other time of the year? It is only during this time. If we are really celebrating the birth of **CHRIST** then there won't be so much immoral activities in December. All the **Halloween** and fornication.

## THE ILLUMINATI BELIEVE IN (DEFYING) GOD

Through their cultural agents, the Illuminati bankers have taught us that God doesn't exist.

The Illuminati, however, believe in God. They are smart enough to understand that "God" represents the Instruction Manual, the spiritual (moral) and natural laws governing human life and development.

They know the difference between right and wrong but they are Luciferians. They deliberately flaunt morality. They distort reality by identifying "good" with their lust for power.

People get tricked into going for jobs abroad. Women fall for that trick. We call that **human trafficking**. When she goes and her passport is taken. She does all their bidding and finally gets killed. They are left with her babies. Those children become slaves all their lives. They act in adult movies which are sold in Dark net. Some work in forced prostitution. That's why you can't fight porn no matter how many laws our legislators come up with. You are up against more than sixty six million porn sites excluding those in the deep web and dark web. It's the people who are leveraged.

The internet was invented to carry out all manners of Satan's perversions. What you see on the surface is just cover. **Tor browser** is the gate to where the worse of the worst carry out their mischief. Psychopaths and all manners of people creep there. The headquarters of internet is hell and there are many demons crawling in those wires to seduce people into sin. Every **technology** comes from hell. Anything and everything; past, present and future.

Television, vehicles, electronic appliances, video games, any sport on earth and every revolution comes from hell. They disguise it to make you think that you are helping people but it is only making things worse.

Kenyans run marathon **worldwide** and we were tricked to be spectators. We brainwash each other by celebrating when they win medals- (gold, silver and bronze). That is how slaves are created. You will think that you are being helped.

Any sport has spectators, ranking system and rules. It is a system planned from generation to generation. The slaves are so emotional that they fund the system by paying **entrance fee**. If we have no slaves then the systems collapses. Television is advancing very fast to destroy mankind.

Tell me why the internet is powered by **UNIX** servers? Why those programs are called **daemons**? Why would we need social networks to reach to people? Those little apps on your phones lead to hell. They did it by making everyone use phones. We went from **analog** to **digital**. Then we had Facebook, Gmail, whatsapp and many other programs that will pop up in the future. People keep taking the bait but it does not end well. Technology is a prison and we are all slaves to it.

"At the end of the world, all the information stored in all the computers will rise up into Cyberspace and mingle together," he said. "That's God."

Technology dominates people leaving them addicted to cellphones, games, television, computers and social networks. All these instruments induce people to be robotically minded leaving them with hypnotized look. Because of these things, many suffer depression; belittling themselves and have no self-esteem.

All that is bound on earth is bound in heaven. Satanists also do the same and all that they bind on earth is bound in hell.

"Once members become alumnae upon university graduation, they don't have to pay a cent and they'll still have their lifetime membership. Most importantly, they'll maintain friendships with people they regard as family."

People joining this or any fraternity should not expect to make a deal with the devil on the first day. This is a subtle process of indoctrination and sifting lasting many years. Most will have to join the B'nai Brith.

Over a long period of time, people willing to sacrifice any shred of decency will be identified and promoted. By this time, doing evil in the service of the Luciferian NWO will seem to be good.

The music industry **blasphemes** the name of OUR **CREATOR** with their secular **songs**. God gave you **talented** voices to **PRAISE** and **WORSHIP** His **HOLY** NAME but instead you choose to sing **nonsense**. You can sing **GOSPEL** but in your heart you love money more than God. The **beats** in music program your mind to be a perfect seducer. You roll with the **flow** when you are gaming a girl. You know exactly what to do and say. It is all in your head. Ask yourself why everything is **automatic** and nobody taught you?

Music is the most effective form of brainwashing and mind control especially when the audience thinks that it's listening to spontaneous creative expressions.

Entitled *They Sold their Soul for Rock and Roll*, the DVD makes a convincing case that espousing Satanism is the price of success in the music industry. Starting with the roots of Rock and Roll, down to Heavy Metal, Goth, Grunge and Rap, this documentary reveals that many famous musicians actually see themselves as evangelists for Satan and say they derive their power from him. They have literally sold their souls to the devil, and their primary goal is to make us do the same. The MTV network is the handmaiden of this agenda.

Through control of banking, they acquired a total monopoly of "the movie industry, the radio networks and the newly developing television media ... we took over the publication of all school materials ... Even your music! We censor the songs released for publication long before they reach the publishers ... we will have complete control of your thinking."

Michael had his children wear masks in public to 'protect' them. They were not even allowed to see their own faces in a mirror at home! Could this be a clue about Illuminati mirror programming which Michael himself experienced and now was trying to prevent from ever happening to his children?

Michael Jackson's march to superstardom may have been stage-managed by the occult politics of the MK-ULTRA program. His talent alone was not enough. The road to the top may have necessitated sexual abuse at the hands of connected powerful adults while still a child. He may have been passed up the paedophile food chain in order to receive the backing, marketing and exposure that made him a household name. He may have been made more pliable by MK-ULTRA training which involved tremendous psycho- logical and physical trauma. The fallout from this revealed itself in all the strange and inexplicable behavior. He changed his face trying to put distance between him and his past. But he never could escape *The Man in the Mirror*.

In Michael Jackson, the Illuminati demonstrated their power to make and break our entertainment idols, to choose our idols for us and to influence and control the popular culture through their change agents. Our idols tell us how to act. We emulate them so that we, too, can be cool, sophisticated, androgynous slaves. This is how the common man finds his place in the New World Order.

"During my past internship at a state hospital, I talked with a forensics expert who is very familiar with pedophilia. He said that one class of pedophiles is psychologically "stuck" at a certain age on the inside, regardless of their physical age. Therefore, they choose children to sexually "mate" with who are the same internal ages and see themselves as EQUALS with those children in every way. And if this kind of pedophile is a male who was sexually abused by adult males in childhood, he will most likely unconsciously re-enact what was done to him, with the next generation of males who are the age he was then.

In 1969, Rockefeller Insider Dr. Richard Day predicted the future in these terms:

"Travel ... [will] become very restricted. People [will] need permission to travel and they [will] need a good reason to travel. If you didn't have a good reason for your travel you [will] not be allowed to travel, and everyone [will] need ID... later on some sort of device [will] be developed to be implanted under the skin that [will] be coded specifically to identify the individual."

Much of what Day promised in 1969 is looking like a rear-view mirror today. But ominous events have yet to transpire. They do want to implant a chip in us so they can find and identify us, as well as monitor and control our purchases.

They are weaning us off national allegiance and will resort to terrorism to win our assent to their global police state. They may use "one or two nuclear bombs to convince people we mean business," Day said.

He said that there are always two reasons for anything the Rockefellers do: the pretext which makes it palatable to the gullible public and the real reason. Dr. Day said sex will be separated from marriage and reproduction (i.e. "sexual liberation") to break up the family and reduce population. Abortion, divorce and homosexuality will be made socially acceptable.

"Homosexuals will be given permission to act out. Everyone including the elderly will be encouraged to have sex. It will be brought out into the open. Anything goes." [The "Stonewall Riots" which unleashed the "gay rights" movement, took place three months later.] The ultimate goal is to have sex without reproduction. Reproduction without sex will occur in laboratories. Family size will be limited as in China.

It will be made more difficult for families to stay together. More women will work outside the home and more people will remain single. Sports instead of dolls will be promoted to girls so they will seek achievement instead of family. Girls will be taught they are the same as boys.

In general, international sports like soccer and hockey will be pushed so Americans will see themselves as "world citizens." American sports like baseball and football will not be similarly encouraged.

Pornography, violence and obscenity on TV and in movies will be increased. People will be desensitized to violence and porn and made to feel life is short, precarious and brutish. Music will "get worse" and will be used for indoctrination.

There will be unemployment and mass migration in order to uproot long established (conservative) communities. Social change will be introduced in port cities and work its way to the heartland. (Thus, the east and west coast are liberal.)

He said a cure to cancer exists in the Rockefeller Institute but is kept secret for purposes of depopulation. He said there will be an increase in infectious man-made diseases.

Dr. Day, who worked in weather modification during the war, said weather can be used to wage war or create drought and famine. The food supply will be monitored so no one can get enough food to "support a fugitive from the New System." Growing your own food will be outlawed under the pretext of it being unsafe.

He said people are controlled by means of the information they are given. Thus, information will be selective. Not everyone will be allowed to own books. "Certain books will disappear from libraries." Literary classics will be subtly altered. People will spend longer in school but not learn anything. There will be restrictions on travel; and private home ownership will disappear.

Like sheep, humanity had better adjust to constant harassment as long as it tolerates Illuminati control of all important government and social institutions.

Our political life is a charade designed to convince the rubes they live in a democracy. This is so they will pay taxes and lay down their lives for their betters.

Lucifer recruits mankind using a combination of deception and seduction. Freemasonry is the Church of Lucifer, which is the real "religion" of (post-Enlightenment) Western "civilization." It operates under many banners: Liberalism, Socialism, Zionism, Communism, Fascism, Feminism and "gay rights."

Like all of the above, Freemasonry is a secret society, i.e. the membership is not told the true agenda. The lower three "Blue Degrees" are fed platitudes about charity and making good men better. But, in reality, only the corruptible advance. Our whole society is based on this model which explains why our leaders, both political and cultural, have abandoned us.

He said: "I really hope this will be a way to expose the real danger we all are facing globally; Iran, USA and Russia hand-in-hand bringing the third world war."

This dialectic succeeds the Nazi- Communist one of WW2. You can't have a Third World War unless you have two sides. This is the Rothschild *modus operandi*. They routinely simulate the opposition or pretend to fight themselves.

This way they can initiate profitable conflicts and orchestrate the outcome. Wars keep us off balance and unable to address the real problem – them. Meanwhile the idealistic plebes fight and die for a "cause."

Our rulers have determined that we shall have no real say in our collective future. Like livestock, we will chew our collective cud on sex, drugs, toys and trivia, which they will supply in abundance.

The methods used by radio stations to earn money irritate me. Simple questions but Kenyans keep falling into the trap. Don't take the bait; it is the gambling guys.

We have these guys called **politicians**. Always playing tricks on Kenyans since independence. After every five years, we get into **campaign mode**. The one who has smart tactics wins the election. They get lost until five years later. You take a platform and microphone to lie to Kenyans over and over again. Taking a crowd in and out of trance until they become slaves. You won't know why you vote for them. They are full of empty promises and stoned hearted. You will hear of "**MANIFESTO**" but we know it can never happen any time soon. Stop building castles in the air.

The system provided widespread prosperity in order to consolidate its power. Now, it's moving gradually to the next stage: absorbing all wealth and enslaving the masses (under the pretext of debt and war on terror.)

Remember every dollar of new debt is a dollar in the pocket of the central bankers. Eventually debt will be used to enslave us. Look at Iceland where average citizens were saddled the debt of private banks. Every citizen is responsible for over \$40,000 in government debt. The goons in our government have money in foreign bank accounts filled to the brim. Theft runs in their veins, kitambitu.

Power is like cancer. It eats you up until you kill to have and keep it. Steal all you want. We get scandals and embezzlement of funds every few years. You know why Kenya is ranked among the most corrupt countries. It's because of greed. The world has people who do worse things for money. There is one person who gets on my nerve.

As manipulative as ever. People die for him, even a six-month old baby. Formed a coalition but crossed his colleagues when things did not work out. BBI is deadbeat but the ones to suffer are the poor. Kenyans are trapped. You have to choose between a traitor and dictator. Vengeance is mine, saith the Lord of hosts.

This dude is only a puppet to advance the bankers' agenda. You actually think you can make us slaves. Prime minister ya kazi gani? What will you do for the people? Kunyanyasa maskini till when? Hauchoki? You can keep the dynasty thing to yourself and those who want that power. Dynasty, uliza kiatu. Chorea na usafishe rada. Just a hoax. Pitisha huko mbali. Si unajua tutafanya nini when you try your mind games on us. Cheza tu na executive and legislature. He is power hungry and will manipulate anyone in his pursuit for greatness. Siku moja watu watarevuka. The people are powerless against mind control. Jeremiah 50:6

The Illuminati depends on second-rate people to betray their neighbors and country. This is the "Nomenklatura" -- the term given to the Soviet-era bureaucratic elite. Most of our "leaders" fall into this category. But they always hide behind a layer of dupes who help maintain the fiction by virtue of their own innocence. You did it in 2007 and you want to place us in the same position again. Remember what Mzee Jaramogi told you.

Bravo to IEBC and the Supreme Court but come 2027 he will again vie for office. They keep you to your toes but never grant your deepest desire. Come to God, my friend before it is too late.

"Wrapped in bogus idealism, Jewish social & political activism largely serves the Illuminati's secret satanic agenda. Jewish activists are dupes or opportunists. The ANC, like Communism in general, deceived the masses into overthrowing the government and installing Illuminati puppets like Nelson Mandela."

The plight of blacks in South Africa is much worse under the "peoples' government." The number of people living on \$1 a day doubled from two to four million. The unemployment rate doubled to 48% from 1991 to 2002. (It was 28% in 2011.)

In 2006, only 5,000 of the more than 35 million black South Africans earned more than \$60,000. A quarter of the entire population lived in shacks without running water or electricity. A quarter has no access to clean water. 40% have no telephone.

The HIV/AIDS/TB infection rate is 20%. Life expectancy dropped by 13 years.

The "human god" is the politician who promises the world and delivers nothing. This public behavior is "surrender born of fear, laziness, and expediency. It is the basis of the welfare state as a strategic weapon, useful against a disgusting public."

The public's lack of resistance is a sign that it "is ripe for surrender and is consenting to enslavement and legal encroachment. A good indicator of harvest time is the number of public citizens who pay income tax despite an obvious lack of reciprocal or honest service from the government."

The term "politically correct" originated in the Communist Party of the USSR in the 1920's. It is not a coincidence that the term is part of our lexicon today. The same bankers who controlled the USSR then, secretly control the USA, Canada and Europe today.

Sex neutralizes the masses politically. When people are obsessed with their genitals, they are not going to examine who holds power. Leaders can be controlled by their sexual peccadilloes. "As political and economic freedom diminishes, sexual freedom tends to increase," Aldous Huxley wrote.

Western culture is a psy-op, controlled by the Illuminati education and media. The "sexual revolution" has been contrived to destroy the social fabric and enslave us. Human beings tend to experience what they are told to expect. We are brainwashed by countless songs and movies to believe sex (and romantic love) are the Holy Grail. We are pressured to imitate the promiscuous behavior of homosexuals who rarely marry or have children. Sex is their primary weapon for the degradation and enslavement of mankind designed to degrade, dehumanize and enslave.

The Illuminati believed they could control society by "liberating women" from marriage. Cults anticipated the "single mother."

The goal seems to be to eliminate sexual attraction altogether.

Bingo. Instead of one big human family, we are a world of sexual predators. You must hand it to Satanists; they know how to create hell.

Jesus warned: "Beware of false prophets, who come to you in sheep's clothing, but inwardly they are ravenous wolves."

To induce worship, the Antichrist will not initially appear as a tyrant, but as a "savior." To save us from what? Probably from all the chaos the satanic Illuminati will have created: wars ignited by false flags, famines from artificial food shortages, plagues from viruses synthesized in laboratories, HAARP-generated storms and earthquakes, and perhaps even a fake "Blue Beam" alien attack, simulated by holograms of spaceships.

Having contrived these disasters, it will be easy for him to stop them. By turning off HAARP, for example, he will appear to duplicate the feat of Jesus in quelling the storm on the Sea of Galilee. These high-tech counterfeit "miracles" will allow him to be accepted as God, as Christ returned.

But any "saving" will be short-lived.

Football brainwashes people into believing that it is helping people. When children are trained **daily**, they grow up to become experts. It is called **specialization**. Chanting and all the noises are to brainwash people into becoming slaves. The **FIFA** ranking system enslaves everyone that has a passion in football. It stirs up your emotions, you can't think straight when your team is about to win the **Champions League** trophy. "**Watangazaji**" and those sports channels and video games aka FIFA 17, 20 will make you a prisoner for the rest of your life.

Those talented footballers hate being idolized by fans. Every goal scored by famous **players** is celebrated by many people. It is even reposted on YouTube. That is to ensure that the programming remains intact in your minds. All the songs sang before a match kicks off will make it difficult to break out of prison.

European footballers can earn up to seventy million in a week. Money spent on world cups and other tournaments is unimaginable. The slaves invest their money in that prison. There are demons behind those teams and as a fan you are worshipping those idols. Red devils, the gunners, never walk alone. Those names are no coincidence. We have betting companies. Many losers and few winners. That's how they make profit. All games are fixed matches and you don't know it. You have three choices; home, draw and away. No matter what your choice is: the company still wins.

Continue saying **tiki-taka** and we know very well that African teams will never make it past the third round at the world cup. Your emotions are toyed with. Stop falling into trance and your eyes will be opened. They won't play mind games on you anymore.

Movies and soap opera companies make millions out of people. All the money on earth and yet people suffer in poverty. They want as many people as possible to die. Billions upon billions of money is spent on fancy lifestyle. These companies hire people to record these fantasies to destroy mankind. Nobody wants to entertain you. All movies have hidden agenda. Children watch television programs, they copy what they see. So when they grow up, we have pedophiles, rapists, peddlers, addicts, killers and all manners of sinners. In short, you become what you watch. James 1:14

Jesus said that children will inherit God's kingdom because in those days children were so pure and innocent. The devil has corrupted the minds of kids by making them watch cartoons and fairytales. A three-year old can operate a phone. They play video games all days long. Are addicted to the internet. In the olden days, it was rare for kids to enter into hell but where we are headed it will be rare for kids to enter into heaven. These kids' minds are corrupted and the innocence in their eyes is gone. 2 Timothy 2:22

The television contaminates the minds of people and corrupts their hearts with desires. How many souls would be saved if they didn't watch this apparatus? Technological environment destroys Christian values. The screen is the access point for demons, they enter through the eyes. Wires are the portals which connect everything to hell. The computer has memory which stores everything imitating the human brain.

We are supposed to be like children and leave important decisions to them. We are being infantilized. For e.g. Hollywood movies were based on novels; now, they're based on comic books. A quarter of the viewers of the top cable cartoon "SpongeBob Square Pants" are adults who don't have children. You are lying to yourselves that you are watching animation, it is still cartoon.

The Masonic elite were/ are into every form of sexual depravity and have inducted society as a whole into what is in fact a pagan sex cult. It's one thing not to be a prude; another to have sex shoved in your face constantly. Proverbs 1:10

We live in a decadent, superficial, hypocritical society where people sell their souls for money and sex, and where mass media and education are devoted to propaganda and indoctrination. Denied the truth, we are kept in a state of arrested development, befitting children or "cattle." The peoples of the world and even their governments are "only children under age."

Raelism promotes the dogma that humans on earth were originally genetically engineered by aliens. Similarly, the avatar creations in the film were 'scientific alien lab constructs' placed on the planet Pandora.

The Raelians condemn marriage and family as repressive and promote promiscuous sex as liberating. In the movie, the only 'sex' we see is between alien and avatar. The film induces a preparatory mindset that it is OK to have 'mind sex' / intimate union with aliens. This links into Gaia energy all being one in animal, human, alien etc. The simple message of the film is to be open to intimate connection with aliens.

## BRAINWASHING

The Illuminati started off innocently in the fifties and sixties, urging the young to defy authority and indulge their libido. Little did we suspect that "Sergeant Pepper" referred to the Satanist and MI-6 Agent Aleister Crowley and that the Beatles' label EMI stands for "Electrical and Mechanical Instruments," one of Britain's largest war contractors.

Little did we know the music industry is controlled by the mob, and many performers are brainwashed and drugged, and live in fear. Little did we suspect that their rebellious message advanced the Illuminati's "divide and rule" strategy. Or that their prescriptions for living would make us dysfunctional and ruin our lives.

To a large extent, our lives are shaped by popular culture. We are spoon fed our ideas and beliefs instead of learning to apply our common sense to our experience. We are mice in someone else's lab experiment. The "someone else" is Satan's disciple.

Society cannot eschew God and pretend to be neutral and secular. God is synonymous with universal spiritual ideals: truth, love and justice. You cannot **turn** off the light without being consumed by darkness.

Don't be fooled. People who remove the Ten Commandments from public buildings are making room for golden calves and sacrificial altars.

People are addicted to movies, soap operas and romantic novels. That hidden addiction is an unhealthy coping mechanism for stress. Women have a hidden need for drama. She likes being manipulated. That is why she associates seduction with **love**. If you do not seduce her then in her mind it is registered that you don't love her. The little girl in her head wants to play games with you. By watching soap operas she imagines that a prince charming will sweep her off her feet. She will never stop day-dreaming. All the unnecessary tantrums are to feed her hidden needs. That is how we went from **real** love to seducing.

Mankind is satanically possessed, and is being inducted into a satanic cult through sex, violence, money, drugs, secret societies or media-induced panic or psychosis. Movies and video games today are mostly mindless killing and mayhem, apocalyptic catastrophe and pornographic sadism.

Love is the feeling that grows over time when a man and woman trust each other for companionship, understanding and support. Love is like a fine wine. It takes time to age. The other kind of love is worship, and that is reserved for God alone.

We confuse lust for love. Isn't it suspicious that pharmaceutical companies would pass up the lucrative opportunity to market a safe drug that suppresses the sex drive?

Contraceptive and bad economy is orchestrated so that they get few people in their prison. Global warming and aliens is a lie. You cannot run, you can't hide. When you eat contraceptive pill, what happens is that a baby is conceived in your womb but it is immediately killed and their blood is drank by demon.

Life begins on an assembly line that starts with the fertilization of conscripted eggs. Babies are brainwashed for 12 years by endless repetition of state-approved axioms. This is the world we are entering as the Illuminati take away our toys but leave us our pills, Viagra-Prozac-Soma. We are becoming zombies with sixteen-hour erections.

## REVOLUTIONS

As well as controlling society, the Rothschild banking syndicate uses the Left to extort and undermine the competition. During the French Revolution, the Rothschild mansion was spared by the rioting masses. The Bolsheviks were instructed to appropriate Russian factories and hand them over to the bankers.

We are all liberals in the classical sense of believing in individual freedom. But the Illuminati bankers have changed the definition of liberal to the spurious notion of "championing minorities and the less fortunate." This has been used to divert, divide and undermine the majority, as well as undermine traditional values.

"We are the Fathers of all Revolutions - even of those which sometimes happen to turn against us. We are the supreme Masters of Peace and War. We can boast of being the Creators of the REFORMATION!

"Martin, Luther yielded to the influence of his Jewish friends, and again, by Jewish authority and with Jewish finance, his plot against the Catholic Church met with success...

"Thanks to our propaganda, to our theories of Liberalism and to our misrepresentations of Freedom, the minds of many among the Gentiles were ready to welcome the Reformation. They separated from the Church to fall into our snare. And thus the Catholic Church has been very sensibly weakened, and her authority over the Kings of the Gentiles has been reduced almost to naught.

"We are grateful to Protestants for their loyalty to our wishes - although most of them are, in the sincerity of their faith, unaware of their loyalty to us. We are grateful to them for the wonderful help they are giving us in our fight against the stronghold of Christian Civilization, and in our preparations for the advent of our supremacy over the whole world and over the Kingdoms of the Gentiles.

"We have induced some of our children to join the Catholic body, with the explicit intimation that they should work in a still more efficient way for the disintegration of the Catholic Church, by creating scandals within her. We have thus followed the advice of our Prince of the Jews, who so wisely said: 'Let some of your children become canons, so that they may destroy the Church'. Unfortunately, not all among the 'convert' Jews have proved faithful to their mission. Many of them have even betrayed us! But, on the other hand, others have kept their promise and honored their word. Thus the counsel of our Elders has proved successful.

It is a tragedy that mankind's collective and idealistic impulses have been co-opted by the Illuminati bankers and used to increase their power and wealth. "Equality" and "social justice" are ruses to cover their real agenda: the reduction of the human race to the status of worker-consumer drones. Eventually they will take our freedom and property. Perhaps then, too late, we'll get the message.

*Depopulation and reforestation; weather control; Tesla HMRP technology (engineered earthquakes); global cashless currency with personal id chips; 24/7 remote satellite surveillance; world federation government; global universal education; discrediting Christianity and Islam;*

Malleable and conformist, the masses will usually adopt the norm. When evil people set the norm, the masses will succumb to distorted and self-destructive behavior.

The banking cartel creates money using our national credit. As a result, society has been subverted by an alien power with a satanic agenda. Creating money out of thin air does not make you god.

The Illuminati central banking cartel controls these corporations. Its aim is "revolution" i.e. "Communism," banker world dictatorship and the destruction of Western civilization. They need to translate their control of our government's credit (ability to print money) into total control. This is why opposition to socially destructive elements (e.g. promoting homosexuality to straights) is NOT only tolerated, but vicious hatred against Christians and society in general is not only acceptable, but actually bankrolled.

Central bankers based in the City of London control the cartels that dominate the world economy. They finagled the right to print money based on our credit and quite naturally used this advantage to buy everything worth having.

In 1913, America's leaders were bribed and bamboozled by mostly foreign bankers and their US agents. Our leaders committed treason by giving these bankers the power to create money out of thin air backed only by the credit, *i.e.* taxes, of the American people.

This might be tolerable if unlimited wealth was all they wanted. But they also want unlimited power: not just one-world dictatorship but total control over our minds and souls.

The Bill and Melinda Gates Foundation has doubled in size due to the Buffet gift, and is five times larger than the US's next largest Ford Foundation. The Gates Foundation is mentioned as a financial member of the Lucis subgroup, "The New Group of World Servers."

This must be of concern since a major focus of the Gates foundation is providing billions of dollars' worth of vaccines to the poor in Third World countries.

His technology only tricks people but this satanist wants more and more money to advance the banker's agenda.

### INSTRUCTIONS TO THE PUPPETS

"You must work until religion is synonymous with insanity. You must work until the officials of city, county and state governments will not think twice before they pounce upon religious groups as public enemies."

"Movements to improve youth should be invaded and corrupted, as this might interrupt campaigns to produce in youth delinquency, addiction, drunkenness, and sexual promiscuity."

Seek out" the leaders in the country's future, and educate them into the belief in the animalistic nature of Man. This must be made fashionable. They must be taught to frown upon ideas, upon individual endeavor. They must be taught, above all things that the salvation of Man is to be found only by his adjusting thoroughly to this environment... Nations, which have high ethical tone, are difficult to conquer."

"In order to induce a high state of hypnosis in an individual, a group, or a population, an element of terror must always be present on the part of those who would govern.

"The populace must be brought into the belief that every individual within it who rebels ...• against the efforts and activities to enslave the whole, must be considered to be a deranged person ... and ... be given electric shocks, and reduced into unimaginative docility for the remainder of his days.

"The psycho political operative should also spare no expense in smashing out of existence, by whatever means, any actual healing group, such as that of acupuncture, in China; such as Christian Science, Diabetics and faith healing in the United States; such as Catholicism in Italy and Spain; and the practical psychological groups of England."

Communists view man as "a mechanism without individuality." He is "basically an animal" with a "civilized veneer." Like an animal, he can be forced to believe and do anything given the right combination of terror, deception, drugs and brute force.

The goal of "psycho politics" is to "produce the maximum chaos in the culture of the enemy," and to "leave a nation leaderless."

"As every chair of psychology in the United States is occupied by persons in our connection, the consistent employment of such texts is guaranteed ... Educating broadly the educated strata of the populace into the tenets of Communism is thus rendered relatively easy."

Remember Communism was never a "working class revolt." It was created by the Illuminati to control the common man and enact their one-world dictatorship. The textbook [Soviet art of brainwashing] suggests that major silent weapons are "higher education" and the "mental health" fields.

## "DIVERSION THE PRIMARY STRATEGY"

The document speaks of "gaining control of the public" by keeping them "undisciplined, ignorant, confused, disorganized and distracted."

Divert the public from "the real social issues and captivated by matters of no importance." "Sabotage their mental activities" by a "constant barrage of sex, violence and wars in the media" i.e. "mental and emotional rape."

Give them "junk food for thought" and deprive them of what they really need," especially a sound education. "Keep the public entertainment below the sixth-grade level."

"Work: Keep the public busy, busy, and busy with no time to think; back on the farm with the other animals." "Destroy the faith of the American people in each other."

The general rule: "there is profit in confusion; the more confusion, the more profit. Therefore the best approach is to create problems and then offer solutions."

According to the document, the "international elite" decided in 1954 to wage a "quiet war" against the American people with the goal of shifting wealth from "the irresponsible many" into the hands of the "responsible and worthy few."

"In view of the law of natural selection it was agreed that a nation or world of people who will not use their intelligence are no better than animals that do not have intelligence. Such people are beasts of burden and steaks on the table [sick] by choice and consent."

The goal was to establish an economy, which is "totally predictable and manipulatable." The masses will have to be "trained and assigned a yoke...from a very early age..."

To achieve such conformity, the "family unit must be disintegrated by a process of increasing preoccupation of the parents and the establishment of government operated day care centres for the occupationally orphaned children."

This is accomplished through "silent weapons" (propaganda and social engineering) applied in the media and schools.

"When the silent weapon is applied gradually, the public adjusts...until the pressure becomes too great and they crack up...Therefore the silent weapon is a type of biological warfare .... It attacks ... their sources of natural and social energy and their physical, mental and emotional strengths ..."

Although not mentioned by name, the silent weapon here is feminism, which promotes lesbianism while posing as the defender of women.

The document says the father must be "house broken." The advertising media see to it that he is "pussy whipped" and "taught that he either conforms or his sex life will... be zero." The female is "ruled by emotion first and logic second too starry eyed to see [her child will be] a wealthy man's cannon fodder or a cheap source of slave labor."

The people responsible for all this chaos are called **THE BANKERS**. They gather up wealth and power to give to the **ANTICHRIST**. What they are creating is the **NEW WORLD ORDER (NWO)**. They are making a living hell on earth so that when their Antichrist reverses everything, people believe him and get the **MARK OF THE BEAST**.

MATHEW 24:22-37

In an article "*The Joseph Principle and Crisis Economics*," Carl Teichrib, a young Manitoba researcher-farmer says the manipulation of calamities to re-make can be traced back to biblical times. Joseph, one of first Court Jews, is best known for predicting seven years of abundance (inflation) followed by seven years of famine (credit-contraction or deflation.)

He is less well known for using this "business cycle" to establish a form of Communism. All the cultivated land in Egypt became the property of the crown, and the people farmed it for the king, giving him one-fifth of the produce.

Teichrib, a devout Christian, writes:

"In *Genesis* 47, Joseph, second in command to Egypt's Pharaoh, warned of a coming famine, and prepared stock-piles of grain to aid the people through the crisis. When the famine hit the land, the people came to Joseph to buy food stock. A simple transaction was made; the citizens used the national currency to purchase grain.

"In verses 14 and 15 we find an unusual development. After the grain was purchased, Joseph intentionally holds the money back, keeping it from being re-circulated into the local economy. The result is predictably catastrophic for the people: Economic crisis.

"According to the King James Version, "the money failed" (vs.15), and in the New International Version it says that the "money is used up." Egypt experienced intentional, government-sponsored deflation in the midst of a natural calamity. The money collapsed.

"Needing to eat, what did the citizens do? They brought Joseph their livestock in exchange for grain (vs.16-17.) As an agrarian society, livestock represented the industrial basis of the people. Hence, placing this power in the hands of the government, the people's commercial activity was effectively abolished.

"In relating this series of events to others, some have asked me; "Why didn't the people just eat the animals instead of trading them for grain?"

"Refrigeration didn't exist. And while the people could have dried some of the meat for long-term use, grain would have been the most valuable and stable food source during a drought. Now the people had neither money nor livestock; and a year later they were out of food.

"Returning to Joseph, who obviously was in charge of the storehouses, the people begged their leader to take their land and themselves in trade for food (vs.18-19.) Property was therefore

consolidated under the state, and the citizens literally became slaves in their own country (vs.20-21.) In the King James Version the language goes even further: Joseph depopulates the rural areas and moves the people into the cities.

"This is a masterful population control strategy. Once the wealth of the nation had been consolidated under the Pharaoh's banner via Joseph's actions - monetary wealth, the industrial base, land and productivity, and the people as economic assets - then Joseph instituted a new farming and taxation system (vs.20-24.) How did the people respond? They gladly relinquished control of their wealth, property, and themselves (gave up their freedom) for the promise of state-dictated security.

"Keep in mind; all of this started through a debasing of the currency system. The manipulation of money is, arguably, the most potent method - outside of war - used to rearrange the fabric of society.

"Am I suggesting that our current crisis will be used as leverage to re-structure our Western world? The odds are in favor of it. Consider what the father of modern economics, John Maynard Keynes, had to say in 1919.

"There is no subtler, no surer means of overturning the existing basis of society than to debauch the currency." - John Maynard Keynes, *"The Economic Consequences of the Peace,"* (1919), 236.

"Keynes economic model is what we have been using since the end of World War II. Roughly speaking, it's the idea that governments can stimulate the economy through interest rate management - the heart of credit and debt - taxation programs, and other state-instituted incentive programs. Although the above quote was aimed primarily at inflationary actions, the same conclusion could be made regarding deflationary leveraging."

When alien bankers control the purse strings of the State, inevitably the State becomes synonymous with these bankers. The State is "public" in name only. This is the true face of Communism.

Communism (state ownership) is a facade behind which the bankers and monopoly capitalists will own everything.

Creating money out of nothing, the Illuminati bankers naturally grabbed much of the world's real wealth. Quigley described the formation of their American cartels: "The period 1884-1933 was the period of financial capitalism in which investment bankers moving into commercial banking and insurance on the one side, and into railroading and heavy industry on the other were able to mobilize enormous wealth and wield enormous economic, political and social power."

Politically, they are chameleons, intermarrying and infiltrating every other group. On both sides of every conflict, they initiated the wars and revolutions that have convulsed mankind. They could mouth any ideology and religious belief. Their only goal is taking power.

They believe the Messiah would return only when the world descended into sin and chaos. They advance this process.

Why all pyramid schemes are cults?

You can rationalize all you want but at the end of the day all MLM companies are pyramid schemes. The charismatic leaders draw people in like moths to a lamp.

The mind control techniques being used are powerful and deadly to the point where everyone is contributing emotionally and financially.

We are all humans. There is something called **emotional connection**. We all belong to family, nation, race, religion and social groups.

Cults exploit this psychological need and when you get recruited, you form unbreakable bond with everyone sharing the same dogma.

**Networking** and **network marketing** is a prison just like **pornography** and **prostitution**. People get addicted to easy money. We all know what will happen when you die in that prison. It activates the same areas of the brain activated by any addiction. You will insist that you are right until you realize the true nature of it. People will always do drugs, take alcohol, visit brothels but we cannot understand their prison. We only understand ours. Fanya kazi kama wengine, wacha kuibia wakenya. Don't be a coward and parasite.

#### EZEKIEL 34:8-20

Here is the list of military operations performed by US and based on Masonic aims and objectives:

**1945:** A-bomb blasts in Hiroshima and Nagasaki

**1948-1953:** Punitive operations against the Philippines people

**1950-1953:** Military invasion in Korea. Hundreds of thousands of Koreans perished.

**1964-1973:** Punitive operations in Laos. Thousands of victims.

**1964:** Bloody suppression of Panama national forces who were demanding the return of their rights.

**1965-1973:** Military aggression in Vietnam. Over 500 thousand Vietnamese perished. In Hitler-style peaceful villages were destroyed and burned to the ground. Mass murder of women and children.

**1970:** Aggression against Cambodia. Multiple victims of peaceful citizens.

**1982-1983:** Act of terrorism against Lebanon.

**1983:** Military invasion in Grenada. Hundreds of victims.

**1986:** Treacherous invasion in Libya.

**1989:** Military invasion in Panama.

**1991:** Large scale military operation against Iraq. Not less than 150 hundred thousand citizens perished.

**1992-1993:** Military operation in Somali. Murder of peaceful citizens.

**1999:** Aggression against Yugoslavia, thousands of victims, hundreds of thousands of refugees.

These are open military actions. Also, the US was largely involved in silent wars against Salvador, Cuba, Afghanistan, and Iran, where they invested huge sums of money to support pro-American puppet regimes.

Total of victims perished as a result of Masonic US Presidents decrees during 1948-1999 amounts to more than a million people (not including the injured and destitute.)

The actions of US Presidents must be brought to international military tribunal and Masonic Lodges of all types must be strictly prohibited.

The bankers bend the nations to their will by means of debt. Moses relates the basic principle in *Deuteronomy* 15:6: "Thou shalt lend unto many nations, but thou shalt not borrow; and thou shalt reign over many nations, but they shalt not reign over thee."

## PLAN OF THE BANKERS

These bankers use a Hegelian dialectic to achieve their end. They created both capitalism and Communism as thesis and antithesis. Their aim is a synthesis, combining the political and cultural tyranny of Communism with the appearance of capitalist free markets. China may be the end model for the New World Order.

The guiding principle behind world events is their plan to translate their monopoly over government credit into a government monopoly of power, business, culture and religion, i.e. Communism.

They created education to place everyone in prison. You fall in and out of trance until you become their slave. You are chasing after books when it is just running around in circles. The bell, school ranking system and their rules to keep you in check. The classrooms are where the trance takes place. Then you fall into another trance called jobs. You will work all your life as their slave.

They make it happen by a concept known as **conscious overload**. Deception perverted into truth. All that big bang and Charles Darwin theories is playing mind games on us. Some people get caught up in it and we end up with **atheists**. You fell into trance until you started believing that you came into existence out of nothing. Your **stubborn** hearts will land you in hell **fire**.

Getting people to be agnostics or atheists is a step toward eventually enthroning the Antichrist.

We have spread the spirit of revolt and false liberalism among the nations of the Gentiles so as to persuade them away from their faith and even to make them ashamed of professing the precepts of their Religion and obeying the Commandments of their God. We have brought many of them to boast of being atheists, and more than that, to glory in being descendants of the ape! We have given them new theories, impossible of realization, such as Communism, Anarchism, and Socialism, which are now serving our purpose ...The stupid Gentiles have accepted them with the greatest enthusiasm, without realizing that those theories are ours, and that they constitute our most powerful instrument against themselves.

"As long as there remains among the Gentiles any moral conception of the social order and until all faith, patriotism and dignity are uprooted, our reign over the world shall not come.

"We have already fulfilled part of our work, but we cannot yet claim that the whole of our work is done. We have still a long way to go before we can overthrow our main opponent.

The shared experiences brainwashes people into believing that you need **education** to succeed in life. Have **faith** and **trust** in **ALMIGHTY GOD**; stop believing in a system that is only making things worse. We only **endure** that system because we don't have a choice. Our lives are already worse, it can only be worst if we avoid **certain** prisons. That is how **perfected** bankers' plan is.

Education was designed to increase children's learning capacity while destroying their ability to think critically for themselves.

The government known as **the party** controls everyone's lives. To ensure obedience, it introduces a new language known as **NewSpeak** to limit human thought to the lowest level possible. This way, the people

will accept whatever the party tells them without question. They are docile, submissive... totally devoid of free will.

I mean, if you look around, you'll see traces of NewSpeak everywhere. This language is used to plant corrupt thoughts into people's minds in a covert, underhanded way.

There are hundreds of universities offering thousands of courses but the conspiracy paradigm is not among them. The true consciousness of humanity is kept alive by a few score private scholars who are like monks in the Dark Age.

You see a dormitory; I see a prison with so many beds in it. Why would we be given two hours to finish a very difficult exam? That exam always reminds me that I am their slave and if I won't complete the heavy work in a certain amount of time; the **system** will kick me out and nobody will employ me. Why would you need some papers to prove that you were in school?

What KNEC does is that it announces those who survived the **prison** on national television. They are rewarded for surviving life in prison. The rest of the Kenyans are left to fend for themselves. **KCSE**, my foot. The school **uniform** to remind you how much time you are left with before the system kicks you out. I hate to wake up every morning just to sit on a prison **chair** all day long. One day, we will arrive in a better **kingdom** that has a **MERCIFUL** and **JUST RULER**. All the **SAINTS** shall have their **INHERITANCE**. First we have a war to win against **LUCIFER** and members of his kingdom.

"One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the world."

All the scientific inventions and technological advancement aids their course. They always find a way to misuse every medical breakthrough. **Cerebral Palsy** and **cancer** have cures since the last century but you will never hear of it. It is kept a top secret.

Every company on earth has been tricked by Satan to make your life harder. Why would people go through an education system that is not working just to end up jobless? Hell is full of good intentions and heaven is full of results.

"Sons of Israel! The time of our final victory is near. We stand at the beginning of our world dominion and our renown.... We have transformed Russia into an economic slave and taken nearly all of its riches...We must eliminate their best and most talented individuals...We must provoke class war and dissension among the blind peasants and workers (and) ...annihilate the cultural values the Christian peoples have acquired...faithful sons of Israel hold the highest posts in the nation and rule over the enslaved Slavs."

Bankers created various religions to mislead people from **THE TRUTH, THE WAY AND THE LIFE**. No matter what you tell those people, they believe theirs is the real deal. Some of them wake up along the way. **JESUS** is the only **HOPE**. You fell in and out of trance until you could not wake up anymore. I am not attacking anyone's religion but you should not ignore all the red flags. I know exactly how it feels being a **PRISONER** your entire life. Some people help you; some people take advantage of you. That is how life is.

The bankers created **United States of America** to be the backbone of their plan. It is not the people's fault. Humankind is caught in the middle of it. Bankers made that nation superpower and they can ruin it if it seems fit. They call the shots. The currencies rise or fall in the stock market when they decide.

Most Americans scoff at the mention of conspiracy but their country was created by Freemasonry and they don't have a clue. Freemasons drafted the Constitution and signed the Declaration of Independence. Masons disguised as Indians dumped the tea in Boston harbor. Paul Revere and his Minutemen, George Washington and most of his generals, all were Masons. The Marquis de Lafayette was shunned until he was initiated. At least 20 of the 42 US Presidents were "Brothers."

The problem is not American capitalism but the control of the nation's credit by a small private international cartel. This international group is behind Western imperialism and every war.

The big government vs. big business paradigm diverts attention from the Illuminati bankers who run both. This paradigm places the blame on capitalism and the US, which has been under Illuminati control for at least a century.

"We shall erase from the memories of men all facts of previous centuries which are undesirable to us,"  
"And leave only those which depict all the errors of the government of the goyim."

"The Russian workers became slaves to the international extremist Jews; formerly secret Communist Party archives reveal Trotsky had \$80 million in US banks and 90 million Swiss Francs in Swiss banks." He puts it in the context of the French Revolution which was instigated by the same forces. In both cases, the "revolutionaries" had no interest in the welfare of the people. Quite the opposite, they dismantled what was good and stole everything of value.

Bankers always hide behind other people. Ever heard of **FREEMASONS, FBI, CIA, SKULL AND BONES, UNITED NATIONS, WHO, WORLD BANK AND ILLUMINATI**. Bankers are too manipulative. They can create any nation or organization under the sun. They can infiltrate and manipulate anyone and everything. They took everything that belongs to the church even your offerings. They know why they created computers or electricity. Those scientists were manipulated.

The Illuminati buy our complicity with our own money. By monopolizing thought and communication, they are able to deceive us.

They took away God so we could not uphold spiritual absolutes. They teach that truth does not exist and everything is relative.

We don't have to play their game. We can uphold God by affirming absolute truth, beauty, justice, peace, grace and love. Of course these are real...the only reality. Look at the consequences of denying them.

For bodily hunger, there is food. For thirst, there is water. Surely, our greatest hunger is for spiritual ideals. And for that there is God.

Diversion means we continue to distract ourselves and lead false, tedious and trivial lives.

The United Nations was set up on land donated by the Rockefellers as a front for the elite's Luciferian dictatorship. Its Charter was based on the Constitution of Soviet Russia and its leaders were Communists. Its Chapel is dedicated to paganism and run by the Lucis Trust (formerly Lucifer Trust) which also handles all its publications.

In the course of his work, Kevin learned the Church Mission was a centre for drug trafficking and prostitution and the staff were on the take. He learned that large donations to the Mission were embezzled, while there wasn't any money for Bibles. When he took these matters to church leaders, they knew and didn't want to know.

And like Freemasonry, the membership is ignorant of the true agenda. Only the "Illuminated" are in on the secret. The rest are manipulated and expendable.

The Illuminati will plant the blame on the innocent Jews and Masons, the outer layer of dupes who serve as their human shield.

The picture of Jews as a nation-race is another way of controlling and manipulating them. It's essential for Jews (and Freemasons) to understand that the best parts of the ideology are for public consumption and to dupe the innocents. From this pool, only the corruptible are informed of the true agenda and allowed to rise. They become part of the Illuminati.

When you get recruited by Illuminati or any other satanic organization. They give you anything you want: Power, love, fame, children but on one condition-before you die you have to recruit four people to take your place. When they do this over a long time, the whole earth got filled with **Satanists** and their perverted sexual practices and blood-drinking rituals.

Lucifer was such a beautiful angel but his pride made him want to steal God's kingdom. The fallen angels couldn't wage war against the Holy angels; how then was he expecting to triumph against MESSIAH. He then stole Adam's kingdom but Jesus took it back by laying HIS life on the altar. Satan is working hard and formulating schemes to pull people into his mess. Don't fall for it.

When the sheep stray from its path, they become food to the wolves. Lucifer said that he would raise his kingdom above the **MOST HIGH**; this is how that kingdom would be like. Many are called but few are chosen.

"Although my sons are held in bondage in this world. A day will come when they shall rule over their rulers" said Jacob

Pyramid schemes use the same principles and over time the whole earth got filled with these guys. The same techniques used by the bankers are used by pyramid schemes. They actually think they are **invincible**. These guys are manipulated to advance the bankers agenda in more ways than you could ever imagine. Only God can stop them. Hawa watapora forever. These guys are everywhere; wakipita na wewe usiseme hatukuweka warning sign. 2 Corinthians 2:11

Ever wondered why so many people fall for pyramid schemes; I think you should read a book called “**THE MANIPULATED MAN**” by Esther Vilar to find your answers. People believe such things are real. 2 Corinthians 11:3

The Illuminati bankers established the USSR as a precursor to the New World Order. The execution of the Polish elite was necessary to the long term plan. The Nazis, also an Illuminati Jewish creation, treated Polish and other national elites in a similar fashion.

Culture is a function of money and the Illuminati control credit. Thus our culture maintains a conspiracy of silence about the gradual subversion of Western civilization by its own traitorous elite.

We will undermine every collective force except our own, say the *Protocols of Zion*. They undermine European Christian heterosexual norms in the name of "Diversity."

**United States of America** has propelled their agenda and it's time to cover their tracks. The only thing stopping them from ruining that country is that people have guns. If you hand over those guns, you won't know how the dollar currency will drop in the market.

## MASONIC AMERICA

Fay explains that in the 1770's, the US consisted of 13 isolated colonies with different governments, religious affiliations, customs, racial profiles, and social and political structures. There were intense rivalries and longstanding antagonisms. A letter took three weeks to get from Georgia to Massachusetts.

"Masonry alone undertook to lay the foundation for national unity in America because [as a secret society] it could spread throughout the colonies and work steadily and silently. It created in a limited but very prominent class of people a feeling of American unity without which ... there would have been no United States."

"In 1760, there was no town, big or small, where Masonry had not spun its web. Everywhere it was preaching fraternity and unity."

"So far we have succeeded in overthrowing most of the Thrones of Europe. The rest will follow in the near future. Russia has already worshiped our rule, France, with her Masonic Government, is under our thumb. England, in her dependence upon our finance is under our heel; and in her Protestantism is our hope for the destruction of the Catholic Church. Spain and Mexico are but toys in our hands. And many other countries, including the U.S.A., have already fallen before our scheming.

We live in a colonized, totalitarian society masquerading as a free society. That should be obvious by the way they murdered Americans with impunity. They assassinated JFK, killed sailors on the USS Liberty and later thousands of Americans on 9-11.

Financed by the central banking cartel, the Illuminati Order control intelligence agencies and most organizations and corporations of significance. But they operate at arm's length. FDR and Stalin both wanted Vice President Henry Wallace, another Soviet agent, to succeed to the Presidency.

But Truman was installed instead, probably because the Illuminati wanted a Cold War. Like all wars, the Cold War was a hoax designed to further concentrate power and profit in the hands of the Illuminati bankers. The Illuminati always require an external enemy to distract attention from them, the enemy within.

There was nothing "Russian" about the USSR. It was an Illuminati (Masonic) Jewish state. So were/are England, the United States and most of Europe.

Eventually the cost of maintaining the USSR became prohibitive, and the new Russia was born, under the Freemasons Yeltsin and Putin.

If White helped found the IMF and World Bank, Alger Hiss, a Colonel in the Soviet GPU, helped design the United Nations and served as its first acting Secretary General. A revival of the League of Nations, the UN is the main mechanism of Masonic Jewish world government.

We usually think of the New World Order as something coming in the future. In fact, a veiled Masonic Jewish banker dictatorship has existed for some time. It's possible that like some MI-5 and MI-6 agents today, Section M agents may have been mind controlled sex slaves.

This is world conquest executed by deception, infiltration and subversion. They took over the levers of power while maintaining the facade of democracy and freedom. They did this by duping Jews and Masons, and the population in general with Liberalism, Socialism, Zionism and Communism.

Look at the choice the Illuminati have given Americans. A Black Communist; a crooked lesbian; and a fossil that represents a continuation of the disastrous policies of the Bush administration. Who represents the majority of good hardworking honest Americans? Who really represents change? No one.

Obama is related to both Bush and Cheney.

They created **ISRAEL** to erect a throne for ANTICHRIST in **JERUSALEM**. Satan copies everything that God does. You know the reward for selling your **soul** to the **devil**. The **JEWS** hold a key component to the **masterpiece** of their **conspiracy theory**. The bankers will take it by all means and when they do, all money will lose value. What will happen is no **buying** or **selling** without the **MARK OF THE BEAST**.

Jerusalem is destined to be the pagan religious and governmental center of their World Government. They designed and paid for the Israeli parliament (Knesset) and the new Masonic-themed Supreme Court Building, destined to arbitrate global disputes. Their mugs are plastered all over Israeli currency.

In 1994, Serge Monast, a Canadian journalist revealed the existence of a NASA "Project Blue Beam," a global light show that will pretend to manifest the return of the Messiah from outer space. In fact, he will be the anti-Christ. Is the Illuminati building up to yet another monstrous hoax with the support of the Raelians and the movie "Avatar?" so foolish.

Vandinja suggests Rael's aliens plan to use global surveillance technology to monitor the human population. He describes an intended Raelian-Masonic-Illuminati paradigm shift: "the NEW AGE RELIGION, with the MASONIC MESSIAH (who he defines as ANTICHRIST) at its head, is the very foundation of the new World Government, without which religion, the dictatorship of the NEW WORLD ORDER is completely impossible."

European Jews were uprooted, robbed and massacred in order to build the capital of Rothschild world government in Israel. Americans are dying in Iraq and Afghanistan and possibly Iran to stamp out Islam. Economic turmoil is making desperate people embrace world government "socialism."

Hitler hated Jews so much he built a country for them. He could have taken all their property and kicked them out but that would have been anti-Semitic.

Israel is the Rothschild's private fiefdom; their private army, secret service and nuclear arsenal. All these are being used to advance the Rothschild world government agenda.

One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the world.

"We have founded many secret associations, which all work for our purpose, under our orders and our direction. Thanks to our gold, flourishing now more than ever. Yet it remains our secret that those Gentiles who betray their own and most precious interests, by joining us in our plot should never know that these associations are of our creation and that they serve our purpose.

Jews who only want to assimilate act as agents and human shields for the Rothschild's satanic agenda. The same Jews, of course, will be blamed.

"We must destroy her without the least delay and without the slightest mercy. Most of the Press in the world is under our Control; let us therefore encourage in a still more violent way the hatred of the world against the Catholic Church. Let us intensify our activities in poisoning the morality of the Gentiles. Let us spread the spirit of revolution in the minds of the people. They must be made to

despise Patriotism and the love of their family, to consider their faith as a humbug, their obedience to their Church as a degrading servility, so that they may become deaf to the appeal of the Church and blind to her warnings against us. Let us, above all, make it impossible for Christians outside the Catholic Church to be reunited with that Church, or for non-Christians to join that Church; otherwise the greatest obstruction to our domination will be strengthened and all our work undone. Our plot will be unveiled, the Gentiles will turn against us, in the spirit of revenge, and our domination over them will never be realized.

"Let us remember that as long as there still remain active enemies of the Catholic Church, we may hope to become Masters of the World ... And let us remember always that the future Jewish King will never reign in the world before the Pope in Rome is dethroned, as well as all the other reigning monarchs of the Gentiles upon earth."

We have blackened the Catholic Church with the most ignominious calumnies; we have stained her history and disgraced even her noblest activities. We have imputed to her the wrongs of her enemies, and thus brought these latter to stand more closely by our side.

In an Encyclical Dec. 8, 1892 Pope Leo XIII identified two Kingdoms. "The one is the kingdom of God on earth, namely, the true Church of Jesus Christ; and those who desire from their heart to be united with it...The other is the kingdom of Satan...those who refuse to obey the divine and eternal law, and who have many aims of their own in contempt of God, and many aims also against God."

*"When the time comes finally to destroy the papal court... we shall come forward in the guise of its defenders ... By this diversion we shall penetrate to its very bowels and be sure we shall never come out again until we have gnawed through the entire strength of this place."*

Mary is not the **Mother of God**. The Catholic Church is that **rider** on different *horses* prophesied in the Book of **Revelation**. You don't need to pray through the **saints**. **JESUS** is our only **INTERCESSOR**. You know those **catechism** lessons **brainwash** you into believing that everything is real. Look closer and you will see how that **cult** is **perfectly** planned.

"Make your sons canons and clerics that they may destroy the churches .....Arrange that your sons become advocates and lawyers, and see that they always mix themselves up with affairs of state in order that by putting Christians under your yoke, you may dominate the world and be avenged on them."

"In the 1930's, we put eleven hundred men into the priesthood in order to destroy the Church from within." The idea was for these men to be ordained, and then climb the ladder of influence and authority as monsignors and bishops. Back then, she said: "Right now they are in the highest places in the Church. They are working to bring about change in order that the Catholic Church would not be effective against Communism."

She also said that these changes would be so drastic that "you will not recognize the Catholic Church."

"The whole idea was to destroy, not the institution of the Church, but rather the Faith of the people, and even use the institution of the Church, if possible, to destroy the Faith through the promotion of a pseudo-religion: something that resembled Catholicism but was not the real thing. Once the Faith was destroyed, she explained that there would be a guilt complex introduced into the Church ... to label the 'Church of the past' as being oppressive, authoritarian, full of prejudices, arrogant in claiming to be the sole possessor of truth, and responsible for the divisions of religious bodies throughout the centuries. This would be necessary in order to shame Church leaders into an 'openness to the world,' and to a more flexible attitude toward all religions and philosophies [i.e. liberalism]. The Communists would then exploit this openness in order to undermine the Church."

In a lecture recorded in Utica in 1962, she said the Communist practice is to create conflict by operating through various organizations. "They will create a Right in order to have a Left opposed to it, so they can drag people in the direction of the Left."

She said the 1944 Communist National Convention was attended by politicians elected under the Republican and Democratic banners. In a speech, Howard Vanden Katzenberg said: "When we get ready to take the United States, we will not take it under the name of Socialism or Communism. These labels are unpleasant to the American people ... We will take it under labels we have made loveable...We'll take it under Liberal-ism, under Progressivism, under Democracy. But take it we will."

All religions are infiltrated and controlled by the Illuminati. The Vatican is rotten at the top. The future "Anti-Christ" will be a Pope. All countries, including Russia, China and Iran, are controlled by the Illuminati. "You don't say no."

"A worldwide religion with one structure and institutions," managed by "one great bureaucracy. And out of that will emerge the ultimate disaster."

How the priests **break THE BREAD** every single mass that the programming has stuck into your brains (akaumega akawapa wanafunzi wake akisema twaeni mle wote, huu ndio mwili wangu uliotolewa kwa ajili yenu). It is only CHRIST who could say that; not you little devils. People line up to receive the *sacrament*. The nuns and brothers enslave each other in their **convents** through **prayer** and **fasting**. Some people are gone deep in the **enslavement** that they cannot break out of prison.

Priests have white **robes**. Nuns wear **blue** robes. This cult has very smart ranking system. The deacon, priest, bishop, archbishop, cardinal and pope. Why would we need six **ranks** to reach the top? Papacy rules this kingdom in **Vatican City**. People who die in this cult do not make it to heaven. **Purgatory** is a big lie. It is only heaven or hell; not your imaginations.

We are in the grip of a pernicious power. The true meaning of "Enlightenment" and "Revolution" is to overturn the natural and spiritual order of the universe and replace God with Lucifer who represents the pretensions of the Illuminati (Masonic) and Jewish bankers. Our social, political and cultural life is orchestrated by them.

That **religion** enslaves people; the surface is a cover to look like it is helping people but you don't know that you are worshipping the **ANTICHRIST**. Why would you need to say **HAIL MARY** ten times? It is to make you fall deeper and deeper into **trance**. When you are born in it, you believe it is real. You will become altar boy, altar girl, priest and nun. You are doing good work but behind your back, there are **psychopaths** molesting our kids. Nobody ever talks about it. When your child tells you that they were molested by that **man** you make your **confession** to; you won't believe her anyway so she keeps the trauma to herself. If you think those people are so **holy** then you are in for a **SURPRISE**. 1 Timothy 4:1

The Babylonian whore that sits on seven hills and she corrupts the world with her adultery and wine.  
Mathew 9:17

The Illuminati decided that it was better to take over the Catholic Church than attempt to destroy it.

The **POPE** is the **False Prophet**. His cult takes you in and out of trance until you become a slave. Why would you need a **rosary** when you can pray to God directly? You are worshipping the **Queen of Heaven**. **Jesus Christ** is at the right hand of God not on a cross. The priests are your taskmasters and altar boys are his servants. Members of the congregation are the slaves. Your dear pope is a **PHARAOH** on his throne and you were tricked to contribute your money, celibacy and devotion to advance his **N.W.O** agenda. The mass and those catholic songs are rituals to imprint the programming into your head. Stop insisting that you are in a church. 1 John 2: 18-19

This church manipulated people to join its cult in the dark ages and those who didn't were mercilessly killed and tortured. They confiscated people's properties and conducted all manners of enslavement; that is why the cult is so wealthy. It was wounded but right now that wound is completely healed. People will get manipulated into entering into the lake of fire. You will see their true colors when Antichrist is released.  
FOXES BOOK OF MARTYRS by John Foxe.

Their aim is to destroy religion by throwing them all into a blender. A phony world "religion" will emerge led by the Antichrist and dedicated to Lucifer.

He will unite the government and the church; the **PAPAL SEAT** will be head over all. That power shall be given to the **ANTICHRIST**. They will start forcing people to either take the **Mark of the Beast** or die.

The **ANTICHRIST** is bound in **chains** in the **abyss** of **hell** waiting for HIS appointed time to fool the people of earth for a **season**. He will throw people in a **fiery furnace**, if you cannot handle the heat; you will give up. He shall take you out of the **fire** and imprint your **forehead** or **right** hand with his **mark**. Jesus will save those who can **withstand** the **heat** of the fire.

The only real distinction is between men who serve God and those who serve the devil, and between the dupes and the damned. Heaven forbid the sheep figure out the same fate may await them.

*Everything around me is prison. I don't know what you see at your spectrum.*

Prisons make you fall in and out of trance. What happens is that when you fall out of trance the next time you fall into trance, you fall deeper than the last time until one day we cannot pull you out. That is how you get addicted to sin. You will become a prisoner until **JESUS** saves you or you die in it. People are **fanatics** in their prisons. James 1:15

Eventually we will learn that real freedom lies in obeying God. The alternative is to become Lucifer's slave.

Stop being a victim of nature's programming and society's brainwashing.

Reprogram yourself. You don't need sex. You don't need "love." It's all in the mind. People seek what they are taught to seek, experience what they think they are supposed to feel. Take charge of your life. Make these decisions yourself.

Don't look for a woman to nurture and encourage you. The emptiness you feel is due to your lack of vocation. Seek self-confidence and recognition from your work, not from a "relationship." Use your God-given talents to do what you were born to do. Make that your first priority.

Look for a helpmate, not a soul mate, someone who is compatible yet different, and learn to value the difference. Don't look for someone who "understands" you. Don't look for yourself. Look for someone with whom you can live without friction, comfortably and creatively.

Don't expect perfection. You're not perfect either. Enjoy the good and accept the bad. Don't have unrealistic expectations. Marriage is a loving, living and working arrangement, not a heavenly state.

Wait to have children until you are established in terms of career and maturity. Don't have children by accident. Have them as a conscious act of love. They are your organic growth, an extension of yourself. They represent an ongoing act of love and demonstrate faith in God, life and the future.

Fulfillment for a man comes from discovering what he was born to do, and doing it. God has given every man a mission. A man becomes a man when he finally believes in himself, and doesn't put any man or woman above him. These men don't need women, except to help them fulfill their mission. They are the real men real women want.

And I believe that, in their heart, many women have the complementary craving, to "belong" to their husband.

This is the key to intimacy, how two people becomes one. When a man wins a woman's love, she entrusts herself to him. And of course he aspires to be worthy of this responsibility.

Thus, a woman empowers her husband. Men and women were designed to complement each other, not to compete or fight. Most marriages break up due to competition for power.

When I reflect on marriage, I get most satisfaction from the fact that my wife is going to be "mine." She makes other women redundant. I no longer feel one of them holds the missing key. I have what I want. My wife helps me fulfill my goals. And she gets security and caring in return.

The origin of this "possessiveness" is quite real and practical. Men need to "own the womb" to ensure their wives conceive their child and not another man's. Similarly, women want to rear an offspring that is the fruit of their love and commitment.

## MARRIAGE

Marriage is the exchange of feminine worldly power for masculine love and protection. Of course, women retain other forms of power, i.e. aesthetic, moral, emotional, intellectual etc.

If a man cannot perform in bed, he is called "impotent." The woman feels unloved and unwanted.

However, outside the bedroom, if a man doesn't demonstrate his power, these days he is considered "enlightened" and "progressive."

But somewhere in their subconscious, women still feel let down. For centuries, women (and children) have relied on men to help define their lives. Men are failing their families when they buy into egalitarian feminist shibboleths and try to be "nice guys."

To repeat, marriage is the exchange of female power for male power expressed as love. Women crave male power because in their minds, it is love. When a man fails to lead his family, and allows them to manipulate him, women (and children) feel unloved and consequently have less respect and love for him.

The old proverb, "Spare the rod, spoil the child" applies. Women and children feel most secure when husband/ father assert his just control. It means he loves them. Failure to take charge is interpreted as weakness and neglect.

Thus, a man must claim power at the outset, and never let it slip from his grasp. He will be tested. But if I am right, women are testing his love. This is what women really want: to be consulted yes, but finally to surrender to the one man worthy of their sacrifice.

We live in a toxic environment for marriage. The Illuminati (Masonic) central bankers, who control modern politics, education and culture, continue to sabotage this exchange by constantly attacking woman's trust in men. Women must be "strong and independent."

## WOMAN AS A MEANS

A man might benefit by regarding a woman as a means to an end rather than an end in herself. A man needs a woman to create a home and family, for companionship, sex, emotional and practical support, intimacy and you name it.

A "means to an end" may sound harsh to some. But in fact, nature designed women to make things happen. Mainly babies. A girlfriend once said, "I want to be used."

A man might think of a wife as a race driver thinks of his car, a cowboy his horse, a shepherd his dog or a carpenter his tools. Men treasure what belongs to them, serves them well, and are true.

A woman expresses her love by her devotion to husband and children. She is loved for what she does, not for her sex appeal. Women (and men) earn love by their deeds. This is the only permanent love worthy of respect.

The romantic model of male-female love, based on lust and idealization of beauty, does not work. A man who "looks up" to a woman is destined to remain a child. "I married Mommy."

On the other hand, a woman wants to look up to her husband. The feminist idea that women are "strong, creative, independent" persons loved for their repartee, accomplishments, and sex appeal doesn't work. People get bored and move on.

For a man to provide leadership is masculine; for a woman to accept leadership is Feminine. Of course, a man is going to consult his wife because he wants to make her happy.

Beauty is skin deep. There is no correlation between beauty and intelligence or character. Women have used sex to control men from time immemorial but they love the men they can't control.

## ENLIGHTENED "OWNERSHIP"

You don't win a woman's trust by attempting to dominate or suffocate her. Rather you show her how you live, and want to live, and invite her to take an honored place in your life.

You respect her individuality. For example, you don't try to impose your ideas on her. Naturally you will choose someone who has an affinity with you. But you are not looking for your clone. You should value her perspective and enjoy the differences.

People in possession of the truth don't have to insist.

Another example. I can't imagine a man ever insisting on having sex with his wife when she's not in the mood. There's no faster way to turn a woman off. (Of course if she never wants sex, the marriage is broken.)

On the other hand, a man won't let his wife engage in activities that endanger her or their marriage.

It's not enough to have children. If we want them to maintain our legacy, we have to teach them from a young age. We have to shut out "education" and the mass media.

## Vision of Enoch

CHAP. 83.—And now, my son Methuselah, I will show thee all the visions that I have seen, relating them before thee. 2. Two visions I saw before I took a wife, and the one of them was not similar to the other; the first time, when I was learning to write, the second time, before I took thy mother I saw an awful vision; and on their account I petitioned to the Lord. 3. As I was reposingg in the house of Malâlêl, my grandfather, I saw there in a vision that the heavens were lowered and disappeared and fell on the earth. 4. And as it fell on the earth I saw the earth that it was devoured in a great abyss, and mountains descended on mountains, and hills sank upon hills, and high trees were torn from the trunks, and fell down and sank into the abyss. 5. And on account of this a speech fell into my mouth, and I began to cry and to say: "The earth is destroyed!" 6. And Malâlêl, my grandfather, aroused me, as I was reposing near him, and said to me: "Why dost thou cry so, my son, and why dost thou lament so?" 7. And I related to him the whole vision which I had seen, and he said to me: "A terrible thing thou hast seen, my son, and the power of the vision of thy dream is concerning the secrets of all the sins of the earth; it will be about to descend into the abyss and be destroyed terribly. 8. And now, my son, arise and petition the Lord of glory—since thou art a believer—that a remnant may remain on the earth and all the earth be not destroyed. 9. My son, from heaven all this will come on the earth, and over the earth there will be a great destruction." 10. After that I arose and prayed and petitioned, and wrote down my prayer for the generations of the world, and I will show thee everything, my son, Methuselah. 11. And as I went out below, and looked at the heavens and the sun rising in the east, and the moon descending in the west, and some few stars, and everything as he had known it from the first, I blessed the Lord of the judgment, and to him I gave greatness, because he led forth the sun from the windows of the east, and he ascends and rises on the surface of the heavens, and elevates himself, and goes the path which is shown to him.

CHAP. 84.—And I raised my hands in justice, and blessed the Holy and the Great One, and I spoke with the breath of my mouth and with the tongue of flesh, which God has made for the children of men, that they should speak with it, and gave them breath and the tongue and the mouth, that they might speak therewith: 2. “Blessed art thou, O Lord, King both great and powerful in thy greatness, the Lord of all the creation of heaven, King of kings, and God of all the world, thy Godship and thy kingdom and thy greatness will remain in eternity, and to all eternity, and to all the generations thy power, and all the heavens are thy throne in eternity, and all the earth thy footstool in eternity and to all eternity. 3. For thou hast made and dost govern all things, and nothing is too difficult for thee, and no wisdom escapes thee; she does not turn away from her throne, thy throne, and not from thy face, and thou dost know and see and hear all things, and there is nothing that is hidden before thee, for thou dost see all things. 4. And now the angels of thy heavens do sin, and thy wrath is over the flesh of men to the day of the great judgment. 5. And now, God and Lord and great King, I petition and ask that thou wouldst establish my prayer for me, that there remain to me a posterity on earth, and that thou wouldst not annihilate all the flesh of men, and not make empty the whole earth, and there be an everlasting destruction. 8. And now, my Lord, annihilate from the earth the flesh which has angered thee, but the flesh of justice and of rectitude establish as a plant of the seed to eternity, and do not hide thy face from the prayer of thy servant, O Lord!”

CHAP. 85.—And after this I saw another dream, and I will show thee all, my son. 2. And Enoch began, and said to his son Methuselah: “To thee, my son, I will speak; hear my words, and lend thy ear to the vision of the dream of thy father. 3. Before I took thy mother Edna, I saw in a vision on my couch, and behold, a bullock came out of the earth, and this bullock was white; and after him there came a female of the same species, and together with this one came other cattle, one of them was black and one red. 4. And that black one horned the red one, and followed it over the earth; and then I could no longer see that red one. 5. And that black one grew, and a cow came with it, and I saw that many cattle, like it and following it, came from it. 6. And that cow, the first one, came from the presence of that first bullock, seeking that red one, and did not find it, and then raised a great cry, and hunted it. 7. And I looked until that first bullock came to her and quieted her; and from that time she did not cry aloud. 8. And after that she brought forth another white bullock, and after that she brought forth many bullocks and black cows. 9. And I saw in my sleep that white bullock grow and become a large white bullock, and from him came many white bullocks, and they were similar to him. 10. And they commenced to beget many white bullocks, and these were similar to them, and one followed the other.

CHAP. 86.—And again I saw with my eyes, while I was sleeping, and I saw the heavens above, and behold one star fell from heaven, and arose and ate and pastured among those bullocks. 2. And after that I saw the large and the black bullocks, and behold all changed their stalls and their pastures and their cattle, and began to lament one with the other. 3. And again I saw in the vision, and looked at the heavens, and behold I saw many stars; and they fell from heaven, and were thrown from heaven near that first star, and among those cattle and bullocks; there they were with them, pasturing among them. 4. And I looked at them, and behold they all let out their sexual members, like horses, and began to mount the cows of the bullocks; and these all became pregnant, and brought forth elephants and camels

and asses. 5. And all the bullocks feared them, and were affrighted at them; and they commenced to bite with their teeth, and to devour, and to push with their horns. 6. And they then began to devour those bullocks, and behold all the children of the earth began to tremble, and to shake before them, and fled.

CHAP. 87.—And again I saw them as they began to horn each other, and to devour each other, and the earth began to cry aloud. 2. And I again raised my eyes to heaven, and saw in the vision, and behold there came from heaven those who were like white men: one came out from that place, and three with him. 3. And those three who came out last took me by the hand, and bore me away from the generations of the earth, and elevated me to a large place, and showed me a tower higher than the earth, and all the hills were lower. 4. And they said to me “Remain here until thou seest everything that comes over those elephants and camels and asses, and over the stars, and over all the bullocks.”

CHAP. 88.—And I saw one of those four who had come out before, and he took that star which had first fallen from heaven, and bound it hand and foot, and put it in an abyss; and this abyss was narrow and deep and terrible and dark. 2. And one of them drew his sword, and gave it to those elephants and camels and asses; and they began to beat one another, and the whole earth shook on their account. 3. And as I saw in the vision, behold then one of those four who had descended threw from heaven, and gathered and took all the great stars, whose sexual members were like the sexual members of horses, and bound them all hand and foot, and put them in an abyss of the earth.

CHAP. 89.—And one of those four went to that white bullock, and taught him a mystery while he was trembling; he was born a bullock, and became a man, and he made for himself a large vessel, and lived in it; and three bullocks lived with him in that vessel, and it was covered over above them. 2. And I again raised my eyes towards heaven, and saw a high roof and seven sluices to it; and those sluices emptied much water into a yard. 3. And I saw again, and behold fountains were opened on the earth, in that great yard; and that water began to swell, and to be lifted above the land, and caused that yard to disappear, until all the land was covered with water. 4. And the water and the darkness and the fog increased over it; and as I looked at the height of this water, this water was elevated over that yard, and emptied over the yard, and stood on the earth. 5. And all the bullocks which were in the yard were collected, so that I immediately saw how they sank down and came to naught, and were destroyed in that water. 6. But that vessel swam on the water, and all the bullocks and elephants and camels and asses on the earth sank down, and all the animals; and I was not able to see them and they were unable to come out, but were destroyed, and sank down into the abyss. 7. And again I saw in the vision till those sluices were put away from that high roof, and the fountains of the earth dried up, and other abysses were opened. 8. Then the water began to run into these till the earth became uncovered; but that vessel reached the earth, and the darkness retreated, and it became light. 9. But that white bullock, which had become a man, came out of that vessel, and the three bullocks with him; and one of the three bullocks was white, similar to that [first] bullock, and one of them was red like blood, and one black; and that one, the white bullock, went away from them. 10. And they began to bring forth animals of the desert and birds, so that there arose out of them a varied diversity of kinds: lions and panthers and dogs and wolves and hyenas and wild boars and foxes and squirrels and hogs and falcons and vultures and buzzards and eagles and crows; and among them was born a white bullock. 11. And they began to bite one another; but that white bullock which was born among them begat a wild ass and a white bullock with it; and the wild ass increased. 12. But that bull which was born from him begat a black wild boar and a white sheep; and this wild boar begat many boars, but that sheep produced twelve sheep.

13. And when these twelve sheep had grown, they gave one of them to the asses, and these asses then gave that sheep to the wolves, and that sheep grew up among the wolves. 14. And the Lord brought the eleven sheep to live with it and to pasture with it among the wolves; and they increased, and became many herds of sheep. 15. And the wolves began to fear, and oppressed them till they [the wolves] finally destroyed their [i.e. the sheep's] young, and

threw their young into a stream of much water; but these sheep began to cry aloud, on account of their young, before the Lord. 16. And a sheep which had been saved from the wolves fled, and escaped to the wild asses; and I saw the sheep as they lamented and cried and asked their Lord with all their power, till that Lord of the sheep descended at the voice of the sheep from his high abode, and came and looked after them. 17. And he called to that sheep which had escaped from the wolves, and spoke with it concerning the wolves, that it should counsel them not to touch the sheep. 18. And that sheep went to the wolves by the voice of the Lord; and another sheep met that sheep, and went with it, and these two came together to the abode of those wolves, and spoke with them, and admonished them that henceforth they should not touch the sheep. 19. And then I saw the wolves, and how they exceedingly oppressed the sheep with all their power; and the sheep cried aloud. 20. And their Lord came to the sheep, and began to beat those wolves, and the wolves began to lament; but the sheep became quiet, and from then on did not cry. 21. And I saw the sheep till they had gone away from the wolves, and the wolves were blinded as to their eyes, and those wolves went out that they might follow the sheep with all their power. 22. And the Lord of the sheep went with them, leading them, and all the sheep followed him; and his face was shining, and this appearance terrible and sublime. 23. But the wolves commenced to follow those sheep till they reached them in a sea of water. 24. And this sea of water was divided, and the water stood from this side and from that before their faces; and their Lord leading them stood also between them and the wolves. 25. And as those wolves did not yet see the sheep, they went into the middle of the sea of water; and the wolves followed the sheep, and ran after them into the sea of water. 26. And when they saw the Lord of the sheep they turned that they might flee from before his face; but this sea of water gathered itself together, suddenly took again its own character, and the water swelled and rose till it covered those wolves. 27. And I saw till all the wolves which had followed those sheep were destroyed, and sank down. 28. But the sheep escaped from that water, and went into the desert, where there was no water and no grass; and they began to open their eyes and to see; and I saw the Lord of the sheep pasturing them and giving them water and grass, and that [former] sheep going and leading them. 29. And this sheep ascended to the height of a high rock, and the Lord of the sheep sent it to them. 30. And after that I saw the Lord of the sheep as he stood before them; and his appearance was terrible and powerful, and all those sheep saw him, and were afraid before his face. 31. And they were all afraid, and trembled before him, and cried after that sheep which was with him to the other sheep which was among them: "We are not able to exist before our Lord, or to look at him." 32. And that sheep which led them returned, and ascended to the height of that rock; but the sheep began to be blinded as to their eyes, and erred from the path which it had showed to them; but this sheep did not know it. 33. And the Lord of the sheep was enraged over them greatly; and that sheep discovered it, and descended from the height of the rock, and came to the sheep, and found the greater part of them blinded as to their eyes, and erring from his path. 34. And as they saw it they feared and trembled before its face, and desired to return to their folds.

35. And that sheep took other sheep with it, and came to those erring sheep; and then it

began to kill them, and the sheep feared its countenance; and thus that sheep brought back those erring sheep, and they returned to their folds. 36. And I saw there in the vision till that sheep became a man, and built the Lord of the sheep a house, and placed all the sheep in that house. 37. And I saw till that sheep that had met the sheep which led the sheep reposed [in death]; and I saw till all the large sheep were destroyed, and small ones arose in their places; and they came to a pasture, and approached a stream of water. 38. And this sheep which led them, and which became a man, was separated from them, and reposed [in death]; and all the sheep sought it, and cried over it exceedingly. 39. And I saw till they became quiet from their crying over this sheep, and they crossed that stream of water; and there always arose other sheep that led them in the place of those which had departed, and led them. 40. And I saw the sheep until they came into a good place, and into a pleasant and glorious land; and I saw these sheep till they were satisfied; but the house stood among them in the beautiful land. 41. And sometimes their eyes were opened, and sometimes they were blinded, till another sheep arose, and led them, and conducted them all back, and their eyes were opened.

42. And the dogs and the foxes and the wild boars began to devour those sheep till another sheep arose, a buck, in their midst, which led them. 43. And this buck began to butt those dogs and those foxes and those wild boars from both sides, till he had destroyed them all. 44. And that sheep had its eyes opened, and saw this buck which was among the sheep departing from his honor, and beginning to butt those sheep, and to tramp on them, and to walk unseemly. 45. And the Lord of the sheep sent that sheep to another sheep, and exalted it to become a buck, and to lead the sheep in the place of that sheep which had deserted his honor. 46. And it went to it, and spoke to it alone, and elevated it to become a buck, and made it the prince and leader of the sheep; but during all that time those dogs oppressed the sheep. 47. And the first buck pursued the second buck, and the second buck arose, and fled before its face; and I saw till those dogs cast down the first buck. 48. And that second buck arose, and led the smaller sheep, and this buck begat many sheep, and reposed [in death]; and a small sheep became the buck in its place, and was the prince and leader of those sheep.

49. And those sheep grew and increased; and the dogs and the foxes and the wild boars were afraid, and fled before it; and that buck butted and killed all the wild beasts, and those wild beasts had no more power among the sheep, and never robbed them of anything. 50. And that house became great and broad, and a large tower was built on that house of the Lord of the sheep for those sheep; and the house was low, but the tower was high and broad; and the Lord of the sheep stood on that tower, and they placed a full table before him. 51. And I again saw those sheep that they again erred, and went many ways, and left their house; and the Lord of the sheep called some from among them, and sent them to the sheep, but the sheep began to kill them. 52. And one of them was saved, and was not killed, but escaped, and cried over the sheep; and they wanted to kill it, but the Lord of the sheep saved it out of the hands of the sheep, and brought it up to me, and caused it to dwell there. 53. And he sent many other sheep to those sheep to admonish them, and to lament over them. 54. And after that I saw, as they left the house of the Lord of the sheep and his tower, they departed entirely, and their eyes were blinded; and I saw the Lord of the sheep that he caused much

death among them in each one of their herds, till these sheep *even* called for this death, and they betrayed his place. 55. And he left them in the hand of the lions and tigers and wolves and jackals, and in the hand of foxes and all the wild beasts, and these wild beasts began to tear those sheep to pieces. 56. And I saw that he left that house of theirs and their tower and gave them all into the hand of lions that they should tear and devour them, into the hand of all the wild beasts. 57. And I began to cry aloud with all my power, and called upon the Lord of the sheep and showed him this in reference to the sheep, that they were being devoured by all the wild beasts. 58. But he remained silent, seeing it, and rejoiced that they were devoured and swallowed and robbed, and left them in the hand of all the wild beasts as food. 59. And he called seventy shepherds and put away those sheep, in order that they should pasture them, and he spoke to the shepherds and to their companions: "Each single one of you shall now pasture the sheep, and everything I command you, do! 60. And I deliver them over to you according to number, and will tell you which of them shall be destroyed; those kill!" 61. And he gave those sheep over to them. And to another he called and said to him: "Watch, and see everything that the shepherds do concerning these sheep; for they will destroy more of them than I have commanded. 62. And each superabundance and the destruction which the shepherds do to these write down, how many they destroy by my command, and how many they destroy by their own will, and write down separately each destruction by each shepherd. 63. And according to the number recite before me how many they have destroyed of their own account and how many were given them for destruction, that this may be a testimony for me against them, that I may know every deed of the shepherds to give them over, and may see what they do, whether they do my commands which I have commanded them or not. 64. And they shall not know, and thou shalt not let them know nor admonish them, but write down all the destruction of the shepherds, each one in its time, and lay everything before me." 65. And I saw till those shepherds pastured in their times and began to kill and to destroy more than was commanded them, and left those sheep in the hands of the lions. 66. And the lions and the tigers devoured and swallowed the greater part of those sheep, and the wild boars devoured with them; and they burned that tower and demolished that house. 67. And I mourned a great deal over that tower because that house of the sheep was demolished; and after that I could no longer see those sheep whether they entered that house. 68. And the shepherds and their companions delivered over those sheep to all the wild beasts to devour them, and each one of them received in his time a *certain* number, and of each one the other wrote down in a book how many he destroyed. 69. And each one killed and destroyed more than was ordered him; and I began to cry and to lament exceedingly concerning those sheep. 70. And in the vision I saw that scribe as he wrote each one that was destroyed by those shepherds on each day and brought up and opened and showed this whole book to the Lord of the sheep, everything that they had done and every one that each single one had removed and every one that they had handed over for destruction, 71. And the book was read before the Lord of the sheep, and he took the book in his hand, and read it and sealed it and laid it down. 72. And after that I saw that shepherds pastured twelve hours, and behold, three of those sheep turned around and

came and entered and began to build everything that was demolished of the house, but the wild boars attempted to hinder them, and they could not. 73. And they again began to build, as before, and put up that tower, and it was called "the high tower"; and they again began to place a table before that tower, and all the bread on it was unclean and not pure. 74. And concerning all this the sheep were blinded as to their eyes, and did not see, and their shepherds likewise; and a great many were delivered to their shepherds for destruction, and they trod on the sheep with their feet and devoured them. 75. And the Lord of the sheep remained quiet till all the sheep were scattered in the field and mixed themselves with them and did not save them from the hands of the wild beasts. 76. And he who wrote the book brought it to the houses of the Lord of the sheep, and showed it and read it and petitioned him on their account and asked him, while showing him all the deeds of their shepherds and testifying before him against all the shepherds. 77. And he took the book and laid it beside him, and departed.

CHAP. 90.—And I saw to the time when thirty-six shepherds thus pastured, and each one completed his time like the first; and others received them in their hands to pasture them in their time, each shepherd in his own time. 2. And after that I saw in the vision all the birds of heaven coming: the eagles and the vultures and the buzzards and the crows; but the eagles led all the birds; and they began to devour those sheep and to pick out their eyes and to devour their flesh. 3. And the sheep cried out because their flesh was being devoured by the birds. And I cried and lamented in my sleep over that shepherd who was pasturing the sheep.

4. And I saw until those sheep were devoured by the dogs and the eagles and the buzzards, and they did not leave on them meat or skin or muscles till the skeletons stood there alone, and the skeletons fell to the ground also, and the sheep became less. 5. And I saw to the time when twenty-three shepherds pastured, and they completed, each in his time, fifty-eight times. 6. But small lambs were born from those white sheep, and they began to open their eyes and to see and to cry to the sheep. 7. But the sheep did not cry to them and did not hear what they said to them, but were exceedingly deaf, and their eyes exceedingly and powerfully blinded. 8. And I saw in the vision that the crows flew on to those lambs and took one of those lambs, but broke the sheep and devoured them. 9. And I saw till horns came to those lambs and the crows threw down those horns; and I saw till ONE great horn came forth, ONE of those sheep, and their eyes were opened. 10. And it looked at them, and their eyes were opened, and it cried to the sheep, and the bucks saw it, and all ran to it. 11. And with all that those eagles and vultures and crows and buzzards to that time were tearing those sheep to pieces, and flew down on them and devoured them; but the sheep remained quiet, and the bucks lamented and cried out. 12. And those crows fought and battled with it and sought to remove that horn, but had no power over it. 13. And I saw them till the shepherds and the eagles and those vultures and buzzards came, and they cried to those crows that they should break that horn of the buck; and they fought and battled with it, and it fought with them and cried that its help might come to it. 14. And I saw till that man who had written down the names of the shepherds and brought them up to the Lord of the sheep came, and he helped that buck and showed it everything, that its help had come down. 15. And I saw

till that Lord of the sheep came to them in anger, and all who saw him fled, and all fell into his shadow before his face. 16. All the eagles and vultures and crows and buzzards assembled and brought with them all the sheep of the desert, and they all came together and assisted one another in order to break that horn of the buck. 17. And I saw that man who had written the book by the voice of God till he opened that book of destruction which those last twelve shepherds had practiced, and showed that they had destroyed more than those before them, before the Lord of the sheep. 18. And I saw till the Lord of the sheep came to them and took the rod of anger in his hand, and struck the earth so that the earth was rent apart, and all the beasts and the birds of heaven fell away from those sheep, and sank down into the earth, and it was covered over them. 19. And I saw till a great sword was given to the sheep, and the sheep came to those wild beasts to kill them, and all the beasts and the birds of heaven fled from their face. 20. And I saw till a throne was built on the earth in the pleasant land, and the Lord of the sheep sat upon it, and he took all the sealed books and opened those books before the Lord of the sheep. 21. And the Lord called to those first six white ones, and commanded that they should bring to him, from the first star on, which had come forth, all the stars whose sexual members had been similar to the sexual members of horses, and also the first star that had first fallen; and they brought all before him. 22. And he said to that man who wrote before him, who was one of the six white ones, and said to him: "Take those seventy shepherds to whom I have delivered the sheep, and taking them, they of their own account killed more than I had commanded them." 23. And behold I saw them all bound, and all stood before him. 24. And the judgment was first over the stars, and they were judged and were *found to be* sinners, and went to the place of judgment and were thrown into an abyss filled with fire and burning and filled with pillars of fire. 25. And those seventy shepherds were judged and were *found to be* sinners, and THEY were thrown into this abyss of fire. 26. And I saw at that time that an abyss like it was opened in the middle of the earth, which was full of fire, and they brought those blinded sheep, and they all were judged and were *found to be* sinners, and were thrown into the abyss of fire and burned; and this abyss was to the right of that house. 27. And I saw those sheep burning, and their bones burned. 28. And I stood looking till he enveloped that old house, and they took out all the pillars, and all the planks and the ornaments of that house were wrapped in with it, and they brought it out and put it in one place, on the right [i.e. south] of the earth. 29. And I saw the Lord of the sheep till he produced a new house, larger and higher than that first, and put it in the place of the first, which had been enveloped, and all its pillars were new, and the ornaments new and larger than of the first old one, which he had removed, and all the sheep were in its middle. 30. And I saw all the sheep that had been left and all the animals on the earth and all the birds of the heavens, falling down and worshiping those sheep and petitioning and obeying them in every word. 31. And after that, those three who were dressed in white, who had led me up before, took me by the hand and the hand of that buck taking hold of me, they raised me, and put me down in the midst of those sheep before the judgment took place. 32. But those sheep were all white, and their wool large and clean. 33. And all that were destroyed and scattered, and all the wild beasts and all the birds of heaven were

collected in that house and the Lord of the sheep rejoiced greatly, for they were all good and had returned to his house. 34. And I saw till they laid down that sword which had been given to the sheep, and returned it to his house; and it was sealed before the face of the Lord, and all the sheep were closed up in that house, but it could not contain them. 35. And the eyes of all of them were opened, and they saw the good, and there was not ONE among them that did not see. 36. And I saw that that house was large and broad and exceedingly full. 37. And I saw that a white bullock was born, and his horns were large, and all the wild beasts and all the birds of heaven feared him and petitioned him at all times. 38. And I saw till all their generations were changed, and they all became white bullocks, and the first one of them [was the word, and that word] was a great animal, and had on its head large and black horns; and the Lord of the sheep rejoiced over them and over all the bullocks. 39. And I reposed in their midst, and I awoke and saw everything. 40. And this is the vision that I saw as I was asleep; and I awoke and blessed the Lord of justice and gave him glory. 41. And then I cried greatly, and my tears did not stand still till I was not able to endure it; when I looked they flowed on account of that which I saw, because everything will come and be fulfilled; and all the deeds of men in their order appeared to me. 42. And in that night I remembered my first dream, and on its account I cried and trembled, because I had seen that vision.
